A Positive Approach to Wildlife that Affects You Every Day, Insects & Their Relatives

Posted by Yvonne Ervin on Oct 03, 2014

A brief look at how the Microworld really does have a lot of positives for life if one can adjust their attitudes.

Biography

Carl Olson, now retired after 38 years as the UA Department of Entomology Associate Curator of the Insect Research Collection, Extension entomologist and lecturer, is still active in the bug community. He has authored two books on SW insects, is a co-author of the ASDM Natural History of the SW, has authored and co-authored many Extension Bulletins and articles on various behavioral, managerial or just plain fun articles about insects. He trains many docent groups, including Tohono Chul, Sabino Cn, ASDM and Prescott Highlands, and works with many southern AZ Master Gardener groups. He presents to many public community groups, hoping to bring the truth and value about insects to people and dispel the myths and untruths that dominate thought. He serves on the board of Tucson Masterworks Chorale, sings with them and UA Faculty-Staff Choir.

MIKE ORCUTT hushed our October meeting wild with his opening invocation of "October" by Robert Frost. CLIFF BOWMAN led us in reciting the Pledge of Allegiance and, with the talented Mr. GARY HIRSCH accompanying on the keys, singing proudly "My Country 'Tis of Thee". Let's eat!

During the DAVID PASHKOW show we heard from MATT BLAIR... "66 days until San Carlos!". EMERY BARKER (and apparently all the other fine attorneys of our fun fine club) was recognized for being one of the best in the country! Congratulations EMERY et al! ALANA VICK can kiss her Red Badge goodbye! Welcome to Blue Badge land ALANA! BRUCE JACOBS implored us each to "SELL ANOTHER 20 TICKETS!!!!!" SCOTT VAUGHAN brought us to the program and introduced Dr. Jerry Hogle, Distinguished Professor of English at the University of Arizona. Even more distinguishing about Dr. Hogle was his unbridled joy and enthusiasm with his topic "Downton Abbey: The Power of Historical Fiction"! Fascinating!

PRESIDENT MARY closed right on time with this apropos toast by Geraldine Brooks. "The thing that most attracts me to historical fiction is taking the factual record as far as it is known, using that as a scaffolding, and then letting imagination build the structure that fills in those things we can never find out for sure."

President's Letter

Now that the District Conference is over, we are "ALL HANDS ON DECK" for the most important fundraiser of the year, OUR TUCSON CLASSICS CAR SHOW! With this one day signature event, we have donated \$632,828 in net proceeds to local charities over the last 7 years and are on target to donate \$100,000 this year to local charities. So many of our members have donated countless hours to make this the best car show in town! As you know, in every successful endeavor, it takes EVERYONE participating. There are many ways to volunteer and all are important. I am proud to say that we have well over 70% participation from our Club, which is outstanding!

I have had many questions regarding "make ups." If you are doing anything for the Club; Car Show stuff, committee meetings, anything pertaining to Rotary, you can use that as a "make up" if you need to miss a weekly lunch meeting. Talk to Dorinna or Shawn if you have questions on how to do this.

I'm sure you received the sample email on ticket sales from Bob Shaff to send to your clients, customers, friends, relatives, etc. It's so easy to send and easy for the recipient to go online and purchase tickets. The email even tells them how to do it and how to put your name on it so you get credit for the sale. I sent it to my list and was pleasantly surprised at how many tickets I was able to sell. It's a great cause, a great show and lots of fun!

Thank you all and looking forward to seeing you next week. Consider bringing a guest.

Car Show Ticket Sales Report

After 8 weeks of selling, our Club has sold 18,501 Car Show Tickets, against a goal of 30,000.

This weekend, the Tucson Meet Yourself Event takes place from Friday-Sunday, October 10-12. Our ticket sales “booth”, with the 2003 Corvette Prize Car, is at the corner of Pennington and Church. Come on by while you are at the event. Lend a hand to the 20 Club Members who are working a shift.

If every Club member sells an extra 20 tickets, we will make our goal and be able to support our 5 deserving charities the way we intend to.

Be sure to turn in all proceeds, stubs, and unsold tickets (if you still have some) before the Day of the Show. Any unsold tickets not returned will be billed to the member.

Thanks for all you have done so far. Now we just have to FINISH STRONG!!
