

Musical magic along the I-19 corridor

Saturday, March 5, 2022

1 p.m. Matinee; 5 p.m. Dinner Show

Quail Creek C.C. Ballroom

Dear friends of Rotary:

Jazz in the Desert returns live in March 2022. It's a lucky 13th year for one of the most important benefit events along the I-19 corridor. Jazz 2022 is more than just a concert – it's an experience that's fun, entertaining and, well, jazzy.

More important: Proceeds from Jazz in the Desert over the past 12 years have provided more than \$110,000 to support the music programs of elementary, middle, and high schools along our I-19 corridor. This special benefit also supports the Valle Verde Rotary Club's numerous local and international service projects.

Music that's toe-tapping fun will be performed by the jazz ensembles from Great Expectations Academy, Walden Grove, Sahuarita, Rio Rico and Nogales High Schools. Continental School and Sahuarita Middle School jazz bands will be featured during the matinee performance.

Valle Verde Rotary Club President Bill Grantham wants you to know there are many ways you, your business or organization can help assure the live return of *Jazz in the Desert* will be a resounding success once again. Please look over our five sponsorship levels and choose the best way for you to support this long-standing benefit event.

Have questions? Just ask.

Yours in Rotary,

Craig Altschul
