Dear Mr. Lewczyk:

Phased In has been in existence for a little over 5 years. In that period of time, we have become one of the leading programs in Texas in assisting emancipated foster youth. Our biggest support has come from the Arlington Sunrise Rotary Club, who continues to pledge their support year after year.

This amazing organization has purchased, as well as, put together ALL of the beds our residents have slept on. They have also led the way to bring a Phased In campus to Arlington, Texas! Their amazing investments of time and money have opened many doors of opportunity for those who have Phased out of foster care. They are our heroes at Phased In. We strongly recommend their selection as the Arlington Chamber of Commerce's 2018 Outstanding Not-For-Profit Small Business of the Year Award.

Sincerely,

Kile Bateman  
Executive Director
