

Today's Meeting

Chip May  
Affordable Care Act

This morning we have one of our own, Chip (*Where's Chip*) May. Chip is almost a charter member as the second member to join behind Don Cole back in 1987. Chip grew up in Kansas and competed an undergraduate degree from Kansas State University

and has a Master degree from the American College in Bryan Mawr, P. Chip's classification is life insurance and started his financial services career with New York Life and remains an active producer with New York Life. Chip has a plethora of professional credentials . behind his name: CFP (Certified Financial Planner) ChFC (Charter Financial Consultant); CLU (Charter Life Underwriter); AEP (Accredited Estate Planner); ARPC (Accredited Retirement Plan Consultant); CLTC (Certified Long Term Care specialist);

Chip moved to Texas and met his wife, Lisa of 27 years and counting, with two children; Trevor a senior at McMurry University in Abilene and Courtney a junior at Texas A&M in College Station. Chip was President of our club from 2001-2012, covering the 9.11 tragedy and started our speaker book program during his year. Chip has been on both planning boards for the original creative playground and the re-build of our current playground. Chip is the current chairman of the Scholarship committee.

Chip enjoys most outside activities of camping; fly-fishing and hunting along with flying for Angel Flight and as an Eagle Scout is a long term supporter of Boy Scouts of America.

Time to Dust off the Kilts!

Our club helps running the beer tents at the Scottish festival in two weeks. The tips we make are a great fundraiser. Please try to help represent our club by volunteering for at least one shift over the 3 day event.

Volunteer needs start on Friday Evening, Continue Saturday all day and Sunday. May 2, 3 and 4th at UTA's Maverick Stadium. Please contact Will Ross if you can help.

2014 District 5790 Conference

Where: Fort Worth - Stockyards Station  
When: May 2-4, 2014  
Who: Anyone who can make it

FACT: It takes 17 years for a tree to reach maturity. One tree produces 80,000 sheets of paper.
