Random Acts of Kindness

Joe Morris

Arlington Firefighters Random Acts of Kindness is affiliated with a 501(C)3 charity created by dedicated firefighters from the Arlington Fire Department. As public servants we believe we can make a difference, not only through our dedicated daily service but through Random Acts of Kindness. As Firefighters respond to calls for help, they may find people in need of a helping hand or assistance in other ways to improve their quality of life. Random Acts of Kindness provides the support needed to bring goodwill to the community and to those in need. With your help we can make a difference through
