Amy Polley

George W. Bush Presidential Library and Museum

Amy Polley is the Curator of the George W. Bush Presidential Library and Museum. As such, she was part of the development team who designed and installed the Museum, manages the care of 43,000 objects, and designs and develops temporary exhibitions. Before coming to the Bush 43 Library, Amy was an Assistant Vice President of the Texas Rangers Baseball Club and Director of the Legends of the Game Baseball Museum at the Ballpark. Amy received her BA in Political Science from University of Houston and MA in Museum Science from Texas Tech.

Please join us in a *Warm Sunrise Rotary Welcome* for Amy Polley.

First Sunrise Social of the year!

The Sunrise Rotary Social Committee invites you to mark your clock and calendar for 6 pm on Friday, August 30th and join your Sunrise Rotary friends at Moni's. Moni's is a casual, family and kid friendly Italian themed restaurant. Moni's is located on Randoll Mill Road, two blocks west of North Fielder.

No reservations are required, but we will have a sign-up sheet at our meetings to get head count for Moni's. Each person or family will order and pay individually. Moni's is a BYOB restaurant, but Chris McLucas has volunteered to provide vino for all. Water, tea and soft drinks are always available. Friends, neighbors, relatives and prospective members are welcome!

Dunlop Playground bridge Construction

The last item on replacing all the working/wearing parts of the Sunrise Creative Playground is the Chain Bridge. The task is to remove the bridge and take it to Don Mims shop, rebuild the bridge, return and reinstall the bridge. The chain, chain covers and side rails will all be replaced.

Each of the tasks needs four Rotarians. Work will start Friday, August 23rd, and extend through Monday, August 26th. Please sign up on the sign up sheet and contact Jack Thorton with any questions.
