Today's Program

Norman Ussery

Norman Ussery is the newly appointed Executive Director of Theatre Arlington. He is currently single and relocated here in May. He is originally from the island of St Croix in the US Virgin Islands. Norman attended Duke University where he received degrees in Economics and Theatre. His career in theatre has been highly varied and has taken him up and down the East Coast. Most recently he was Executive Director of Twin City Stage in Winston-Salem, NC where he led a capital campaign to fund a \$ 1.5 million dollar endowment for the theatre and oversaw a merger with The Children's Theatre of Winston-Salem.

He has worked as an actor, director, stage manager and producer. He has been in theatre management for more than 25 years and truly loves all aspects of the theatre. He enjoys the business of the theatre tremendously and is looking forward to creating more ways for the theatre to interact with Arlington's business and professional community. Norman feels that the theatre experience is a great way to build community, strengthen families and create fellowship.
