August 30, 2013

Division Street Diner

Today's Program

Dr Salem Akkad Sleep and Snoring Solutions

There are lots of dentists in DFW, but Dr. Salem Akkad is one of the very few whose practice is devoted exclusively to treating snoring and sleep apnea.

After earning his Doctorate in Dental Surgery, Dr. Akkad gained a Masters in Prosthodontics at the West Virginia University School of Dentistry, followed by a Fellowship in Orofacial Pain and TM Disorders at the world renowned Orofacial Pain Center at the University Of Kentucky College Of Dentistry in Lexington. During the fellowship, Dr. Akkad attained special training in dental sleep medicine as well as management of oral and salivary disorders such as burning mouth and dry mouth disorders.

In 2004, Dr. Akkad began specializing in complex prosthodontic patient care and management, working and teaching at the West Virginia University School of Dentistry and later a part time faculty at the Baylor College of Dentistry in Dallas. From 2008 to 2012, his work was focused on prosthodontics, implants and Orofacial pain, and then opened Sleep & Snoring Solutions in Arlington in early 2013.

A member of the American Academy of Dental Sleep Medicine, Dr. Akkad is one of only 3,200 prosthodontists in the United States, compared to 170,000 general dentists.

Dunlop Playground bridge Construction

The work will be postponed until a later date due to a continued curse on the club's use of ladders.
