Today's Program

Brian Glenn

Shelter Box

Brian Glenn grew up in Denton, TX and after graduating from the University of North Texas in 1985 he went to work for the Denton Fire Department. He is now a Battalion Chief overseeing the Emergency Medical Services for the City.

A member of the Denton – Morning Rotary club, Brian was first introduced to Shelter Box in 2007 when his club sponsored a box as an international service project. As they repeated the donation each year, Brian became more familiar with the organization.

In 2011 he signed up as an ambassador to share the story with others and began training as a Response Team member. Last year Brian spent Thanksgiving in the Philippines assisting after typhoon Haiyan.

He is here today to share with you how easy it is to provide a family with shelter, warmth and dignity after they have had everything stripped away in a disaster.

The URL for more information on Shelter Box is www.shelterboxusa.org.

Please join in for a *Warm Sunrise Rotary Welcome* for fellow Rotarian Brian Glenn.
