Today's Program

Angela Johnson

Boys & Girls Club of Arlington

Angela Johnson is the Director of Program Planning and Outcomes for the Boys & Girls Club of Arlington. Prior to moving to Texas, Angela's work experience included the University of Memphis Center for Academic Transition and the Hickory Hills Community Redevelopment Corporation where she was responsible for leading health education sessions to educate members of the community on the benefits of prenatal care, infant care procedures and healthy alternative behaviors. She also served as an information contact for other community based organizations connecting local individuals with the resources needed through partner agencies.

Angela's previous Boys & Girls Club experience was with the Boys & Girls Clubs of Greater Memphis where she served as the Job Skills Trainer for two years. Angela feels strongly about and demonstrates a commitment to promoting workforce preparedness for the youth she serves. In her current position with the BGC of Arlington, she is responsible for ensuring that the tools, systems and processes for evaluating outcomes are always in place. In addition, Angela is responsible for seeing that programs like T.E.A.M. SMART Girls have the resources they need to be successful.

Angela holds a Bachelor of Arts degree from the University of Tennessee and a Master of Public Health from the University of Memphis. A native of Tennessee, she moved to Arlington in August of 2013. Please join me in a *Warm Sunrise Rotary Welcome* for Angela Johnson.

Start every day off with a smile and get it over with.
