**Don Coker**

**Chaplain, Arlington Fire Department**

After serving five years in the U.S. Marines Reserve, Don joined the Arlington Fire Department in 1971, and served there for over thirty-one years. During his rewarding career, he received a degree in Fire Science, reached the rank of Captain and held a Master of Firefighting certification. Along the way, Don was a CPR instructor, taught numerous classes to citizens and spent ten years as a volunteer with AISD, teaching Primary Emergency Training. He also helped start The Fellowship of Christian Firefighters in the Arlington Fire Department.

In 2010, Don accepted the position of Chaplain for the Arlington Fire Department. Although he had no formal pastoral training, Don has always been heavily involved with his church. His many different activities included choir, deacon, youth councilor, Vacation Bible School, men's softball and Bible Study Fellowship International.

Don was born and raised in Wichita Falls where he spent his first twenty-five years. Don has been married to Elaine for forty seven years and they have three children, four grand-daughters and one great-grand-daughter. Please join me in a *Warm Sunrise Rotary Welcome* for Don Coker.
