After a short stint at North Texas State University, before it became the University of North Texas, Corey returned to Arlington and attended the University of Texas at Arlington. During his attendance at UTA and thereafter he worked and currently works in the field of retirement plan administration, insurance, securities and investments. Corey is here today to discuss with and inform us of his latest adventure *Arlington Today Magazine* and *ArlingtonToday.com* - an online news source for the community of Arlington. Please join us in a *Warm Sunrise Rotary Welcome* for Corey Callaway.
