

## ENDPOLIONOW

Through **PolioPlus**, Rotary's most ambitious program to date, Rotary has played a leadership role with the World Health Organization, the U.S. Centers for Disease Control and Prevention, and UNICEF in bringing the world to the brink of polio eradication.

Rotary's **END NOW** campaign promotes public awareness and fundraising for the program. The Bill and Melinda Gates Foundation has given Rotary \$355 million in challenge grants to support PolioPlus, and has pledged up to \$35 million per year more through 2018 for the final push to eradicate the disease worldwide.

# 90 YEARS OF ROTARY

The Rotary Club of Haddonfield

## WE ARE ROTARY

Rotary brings together people in our communities – from all walks of life – who want to use their talents and expertise for good. People whose sense of responsibility inspires them to give back to their communities. At Rotary, we connect for good – and form lifelong friendships in the process.

## JOIN US TO MAKE A DIFFERENCE

It is Rotary's mission to serve others. The funds our Club and our Club's Foundation raises each year provides needed support to educational and charitable organizations that have important missions. The continuing support and generosity -- both time and treasure -- of our members, donors and community businesses is critical in this process.

## OUR CLUB

From the beginning, the Club has consisted of community leaders and business people from Haddonfield and surrounding areas, representing a range of professions and interests. Since the Club was formed in 1927, members have worked together to provide over \$2,000,000 to local and regional organizations and individuals, and another \$750,000 internationally.

.....

*"Thanks to Rotarians' vision in 1985...and your unwavering support, we have made incredible progress. We are proud of our amazing partnership with Rotary...You are vital advocates for polio eradication. Thank you for your ongoing commitment to ensuring no child once again suffers from this crippling disease." Bill Gates*

## OUR CURRENT PROJECTS

This year, the Rotary Club of Haddonfield and The Rotary Club of Haddonfield Foundation will support organizations that are helping those in poverty, supporting educational and youth leadership programs, clean water, and fighting disease, among others. Scholarships for local high school students, and supporting youth from Camden through after school programs, and job training are priorities for giving. The Rotary Club of Haddonfield also supports a wide range of civic and community events and services.
