Rotary Club OC-UT July 2nd Program - League of Women Voters, CMC

The Rotary Club of Ocean City - Upper Township online program for Thursday, July 02, 2020, will be Mary Conley, President of the League of Women Voters (LWV) of Cape May County.

In addition to her program about the local LWV Chapter, Ms. Conley will also discuss this year's 100th Anniversary commemorating the 19th Amendment for Women Suffrage in the United States.

The League's website theme title is
"Making Democracy Work".

The League's mission and roles statement defines their group as ...
"a nonpartisan political organization encouraging informed and active participation in government. It influences public policy through education and advocacy. We never support or oppose any political party or candidate."

The League of Women Voters embraces

two separate and distinct roles.

"Voters Service/ Citizen Education:

we present unbiased nonpartisan information about elections, the voting process, and issues."

"Action/Advocacy: we are also nonpartisan, but, after study, we use our positions to advocate for or against particular policies in the public interest."

In addition, the LWV Cape May County Chapter's listed principles that guide their organization include:

"The goal of the League of Women Voters is to empower citizens to shape better communities world-

Officer Changeover Ceremony June 25, 2020

The Rotary Club of Ocean City - Upper Township online program held Thursday, June 25, 2020, was the traditional changeover ceremony. However this year it was a totally different experience. Outgoing Rotary Club President Jim Chadwick did a virtual hand-over of the Club gavel to President Elect Randi Scheck during a Zoom meeting.

The program was a celebration of Club accomplishments as we reflected on the ongoing challenges of Covid-19; looked back on a year of hard work; acknowledged service above self by key members; planned for the year ahead; and shared the fellowship that bonds the friendship of our members. This week's RI and District Stories

Environment new Rotary focus area

The Rotary Foundation Trustees and RI Board of Directors both unanimously approved adding a new area of focus: supporting the environment. Creating a distinct area of focus for the environment will give Rotary members even more ways to bring about positive change in the world. [Read more here.](#)

We were built for this

While Rotary clubs have had to adapt to the challenges of COVID-19, the pandemic has also provided some opportunities. Rotary members, as leaders in their communities, are in an ideal position to assist with the rebuilding, reforming, and reshaping that will be needed in our communities. Blog contributor Paddy Rooney, a district governor, explains how Rotary was built for a crisis like this. [Read more here.](#)

wide.

"The League of Women Voters is a nonpartisan political membership organization which:

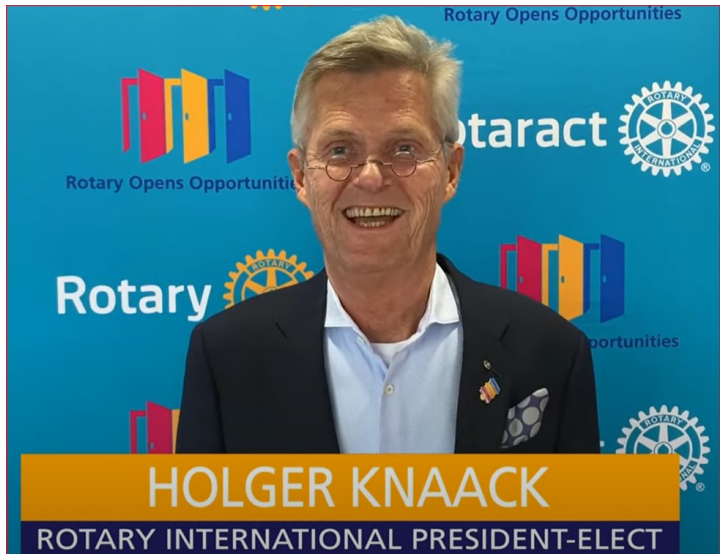

- Acts after study and member agreement to achieve solutions in the public interest on key community issues at all government levels;
- Builds citizen participation in the democratic process;
- Engages communities in promoting positive solutions to public policy issues through education and advocacy."

Following her presentation, Ms. Conley will answer questions that have been submitted online prior to the meeting.
