Rotary Club OC-UT July 16th Program ShelterBox - Rotary Partnership

The Rotary Club of Ocean City - Upper Township online program for Thursday, July 16, 2020, will be **George C. Morrison**, ShelterBox Ambassador and a member of the **Rotary Club of Saucon**, Bethlehem, PA.

The emergency shelter charity ShelterBox has been Rotary International's Project Partner in Disaster Relief for 20 years.

This unique humanitarian alliance has supported families with a place to call home after disaster.

ShelterBox provides emergency shelters and other essential items to support families who have lost their homes in disaster.

Rotary is a global network whose members take action to make a lasting difference in their communities – and worldwide.

What began as a local connection with one Cornish Rotary Club has led to an international movement that raised over \$68 million for ShelterBox to date – enough for 140,000 ShelterBox family tents or 390,000 Shelter-Kits.

See a **ShelterBox video** story by WFMZ TV that features Rotary Clubs in the Leigh Valley and Berks County.

The partnership with Rotary International

has helped transform ShelterBox into an internationally recognized disaster relief charity, supporting families with emergency shelter after disaster.

Additionally, Rotary Clubs worldwide offer valuable, practical assistance to help ShelterBox reach more families fleeing disaster or conflict. In fact, 90 percent of ShelterBox responses have been assisted by Rotary.

Rotary Int. Highlights Vaccine Education

Rotary and our partners have helped parents who were hesitant about vaccines understand the benefit of protecting their children against polio. That's one of the reasons polio cases have fallen by 99.9 percent since 1988. But when a COVID-19 vaccine is discovered, will the anti-vaccine community reject it? In this **CNN Opinion** op-ed, Rotary's General Secretary and CEO **John Hewko** and vaccine scientist Dr. Peter Hotez make the case for vaccine acceptance: endpol.io/cnnop ##
