## AtlantiCare Interventional Cardiologist Heart Month Program for Rotary Club OC-UT

The Rotary Club of Ocean City - Upper Township program for Thursday, Feb. 27, 2020, will be **Dr. Mitul Kanzaria**, a Board-Certified Interventional Cardiologist with the AtlantiCare Physician Group Cardiology, AtlantiCare – Marmora Office. Since Feb. is **Heart Awareness month**, he will speak on heart disease and risk factors.

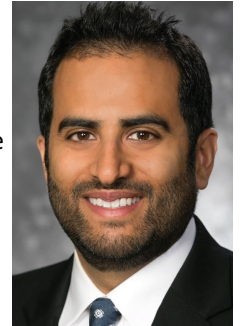

Historian **Robert Holden**, left, delivered an insightful program on his book, "Upper Township and Its Ten Villages" for the Rotary Club of OC-UT on Feb. 20, 2020. In appreciation, **James Chadwick**, Rotary Club President, present Ron with a certificate commemorating that 200 more children will be immunized in his name as part of the Club and Rotary International's continued commitment to eradicate Polio from Planet Earth.

Mitul Kanzaria, M.D., M.S., FACC, is board certified in internal medicine and cardiovascular disease by the American Board of Internal Medicine. He is also board certified in adult echocardiography by the National Board of Echocardiography and received certification in vascular interpretation from the American Registry for Diagnostic Medical Sonography.

After graduating from Albany Medical College in Albany, New York, Dr. Kanzaria completed his post-doctoral training at Thomas Jefferson University Hospital in Philadelphia. His post-graduate training included a medical residency in internal medicine and fellowship training in general cardiovascular disease and interventional cardiology. In 2017, Dr. Kanzaria earned a Master of Science degree in healthcare quality and safety from the Thomas Jefferson School of Population Health in Philadelphia. In addition to general cardiology and interventional cardiology, Dr. Kanzaria has special interests in echocardiography, coronary angiography and stenting, and peripheral angiography and stenting. He is also a dedicated advocate of healthcare quality and patient safety in his field.
