Rotary Club OC-UT Jan. 28th Online Program - Dr. Barbara Gaba, President ACCC

The Rotary Club of Ocean City - Upper Township online program for Thursday, Jan. 28, 2021, will be the ninth president of Atlantic Cape Community College, **Dr. Barbara Gaba**.

Dr. Gaba became the first female and first African American president in the college's 50-year history 4 years ago in January 2017. With extensive experience in higher education, she is deeply committed to the mission of the community college to provide affordable educational pathways for student success.

Prior to joining Atlantic Cape, Dr. Gaba served as Provost and Associate Vice President for Academic Affairs at Union County College (NJ). She also served as Dean of Academic and Student Support Services at Camden County College (NJ) and Associate Director of the Office of Board Affairs and Government Relations at the New Jersey Department of Higher Education.

During her 40-year career she has served as a teacher, researcher and administrator and has been devoted to working with underserved, underrepresented students, empowering them to attain a college education. She is student-focused, community-centric, and employee-oriented. Working to transform the lives of the students she serves—one student at a time—has been her calling. She strongly believes that it is the responsibility of leaders to use the power and influence they are given to lift up their communities and to create positive change.
