Set time frame so attendees know what to expect. Let folks know it is okay to do Zoom without having the video turned on the entire time.

More practice... (Video on if equipped)

Maybe in future meetings we should have an agenda sent prior of what was going to take place.

It was great to see everyone!

(1) Continue the effort to attain a greater level of participation.
(2) Move ahead through Zoom to to have meetings with programs, involving speakers transmitted through Zoom.

I thought the meeting was awesome

Suggest calling / contacting members that did not attend and get info on why there chose not to attend. Evidently there were experienced users on the call, so there was very little background noise and not much "talking over" each other.

Great job!

I thought it went very well considering it was a trial run

Would you attend periodic Rotary Round Tables using Zoom?

Ensure we take notes on discussion topics, points of consensus, and consider a system for meeting minutes. Keeping the meet-up to about an hour seemed like a good level.

It's nice and short! (Thanks for keeping it to an honest 3 minutes)
