

Rotary Club members and staff of The Shores in Ocean City met on Mar. 14, 2025 to discuss volunteer opportunities.

Shores Volunteers Opportunities Explored by OCUT Rotary Club

Members of the OCUT Rotary Club visited with staff of The Shore, a United Methodist Community as part of the Club's continuing outreach to determine community needs in Ocean City and Upper Township.

Project to replace planters at The Shores

Two project examples are under consideration:

Planters:

An array of planters on the 2nd level balcony at The Shores (pictured above) is to be replaced. There is a need for both new planters stands and volunteers to help with seasonal planting and weekly "gardening" tasks.

iPhone - Laptop Q&A

Technical assistance for Shores residents is another opportunity. Volunteers willing to donate several hours weekly or monthly are needed to answer questions about iPhones, Internet usage, and laptops.

A detailed "wish list" of other Shores volunteer ideas is linked [here](#):

The Rotary Club will be exploring these and other opportunities for community outreach.
