

# Used Bicycle & Sewing Machine Collection

*Sponsored by the Vineland Rotary Club*

In Conjunction with Pedals for Progress

## Special Message for District 7505 Rotary Clubs

- Facilitated by the D7505 Public Image Committee

Dear Rotary Leaders,

I wanted to share an exciting opportunity to make a meaningful impact through Pedals for Progress, a program that collects bicycles and sewing machines for communities in need around the world.

On November 8, 2025, the Vineland Rotary Club will be hosting a collection event, and they are inviting fellow clubs to get involved. This is a chance to:

- Learn about Pedals for Progress and its global mission.
- Host a mini collection in your community during October to contribute to this effort.
- Collaborate with other clubs to expand Rotary's collective impact.

Even a small contribution - bicycles or sewing machines - can make a huge difference. We encourage your members to keep an eye out for donations throughout the year and help support this amazing initiative.

We hope your club will consider participating this year or maybe even planning your own collection in the future. Let's work together to pedal change and stitch hope across the world!

Thank you for your support, and please reach out if you would like more information or to coordinate efforts.

Please feel free to contact Alicia Fichera, Co-Chair of Pedals for Progress Event, [Vineland Rotary Club](https://www.vinelandrotary.org) at (856) 301-0306 with any questions or donations! Vineland Rotary > <https://vinelandrotary.org>

We're collecting adult & kids' bikes and sewing machines to send to Guatemala, Belize, Togo, Sierra Leon, Tanzania and Albania. Help us put unused bikes and sewing machines to good use in the developing world. Visit [P4P.org](http://P4P.org) to read more!

The Vineland Rotary Club is subsidizing the costs to ship these items overseas. Cash donations to help offset these costs are welcomed, but not required. All material and monetary donations are tax deductible and a receipt will be provided on site.
