

Dear Fellow Rotarians,

I hopefully, this correspondence finds you well and rested. As I was reviewing and preparing for this new position as Fundraising chair I was taken back by the amount of money needed to make this unbelievable philanthropic organization run. I have to say we owe both David and Bonnie a tremendous debt of gratitude for their continued work and loyalty to our club for without their support and dedication we would be lost.

That said, I find the fundraising chair to be a tremendous challenge! I am reaching out to all of our Rotarians to dig deep in their pockets to assist with this portion of our club in any way that you can. Whether it be via “Happy Dollars” or with a donation to one of our fundraising initiatives or by soliciting an outside donor/supporter to our cause. I believe that it does take a “village” to continue the good work of our club! If you believe in our

club, our board and our membership and if we are going to continue to be the “Best Damn Rotary Club” in our district. Then we need our membership to stand up in all areas of our club to make work.

I have some ideas to assist with this cause. The biggest idea is a golf outing which brings in a tremendous amount of money. Then of course continue with the Disco Ball/80's Blowout Dance Party, a possible fundraising night @ Serene Custard, or some kind of subsale /bagel-University sale or even a cocktail fundraising party to invite prospective donors to our cause.

Sincerely,

Josie Spinelli

Yours in Rotary
