

## The Four-Way Test of the things We Think, Say or Do

- Is it the TRUTH?
- Is it FAIR to all concerned?
- Will it build GOODWILL and BETTER FRIENDSHIPS?
- Will it be BENEFICIAL to all concerned?

### The Object of Rotary

To encourage and foster the ideal of service as a basis of worthwhile enterprise and, in particular, to encourage and foster: the development of acquaintances as an opportunity for service; high ethical standards in business and professions; the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian of his occupation of the ideal of service by every Rotarian to his community life; the advancement of international understanding, good will and peace through a world fellowship of business and professional men and women united in the ideal of service.

## Meeting Highlights

Club Assembly was interesting with the chairs providing updates on their committees. Dick congratulated the restaurant on providing a new clock prior to reporting on his secretarial duties. Harold and Sandy had no new information to relay but Joe did. Joe said that RYLA was April 13, 14, & 15 and to check out Dick's calendar. Joe also said that PRYDE was May 5 & 6. Paul reported about International Service. He said that we had contributed to a well, Fuel Relief, Land Mine eradication and 1,000 Smiles. Maria said that Karla was working on the criteria for the Carlos Mendiola scholarship. Harold said that there was \$750 in that scholarship. Dick reiterated the matching Foundation Points. Nick underscored the importance of Foundation giving by saying, "Everyone gives \$100 every year." Rosa spoke about Relay for Life. Joe and Paul talked about membership and "growing the club". Paul provided a profile of what the club needs for new members.

## Inspirational Quote

## Member Recognition

J. David Horspool recognized Karla for \$3.00 as a fatigue fee because she yawned as he approached the lectern. He added a \$2.00 fee because Karla thought he was making a "f-word alliteration". Oscar had a really good idea (congratulate him next time you see him) about creating a handout that describes the purpose of the assessments to visitors. He was fined \$5.00 for thinking. Jamil was assessed something because of his comments in the newspaper about Obama's SOTU address or maybe it was because he didn't mention Rotary in the interview.
