

# Dublin Cancer Center

6700 Perimeter Drive, Dublin, Ohio 43016

**GRAND OPENING JUNE, 2021**

Columbus Oncology and OhioHealth have come together to create the Dublin Cancer Center, offering expert care for a wide range of cancer related needs at one convenient location. Our team of MD Anderson Cancer Network certified physicians and cancer specialists provide infusion, labs, imaging, treatment and more.

Comprehensive patient centered care while maintaining easy access to exceptional quality services at an affordable cost.

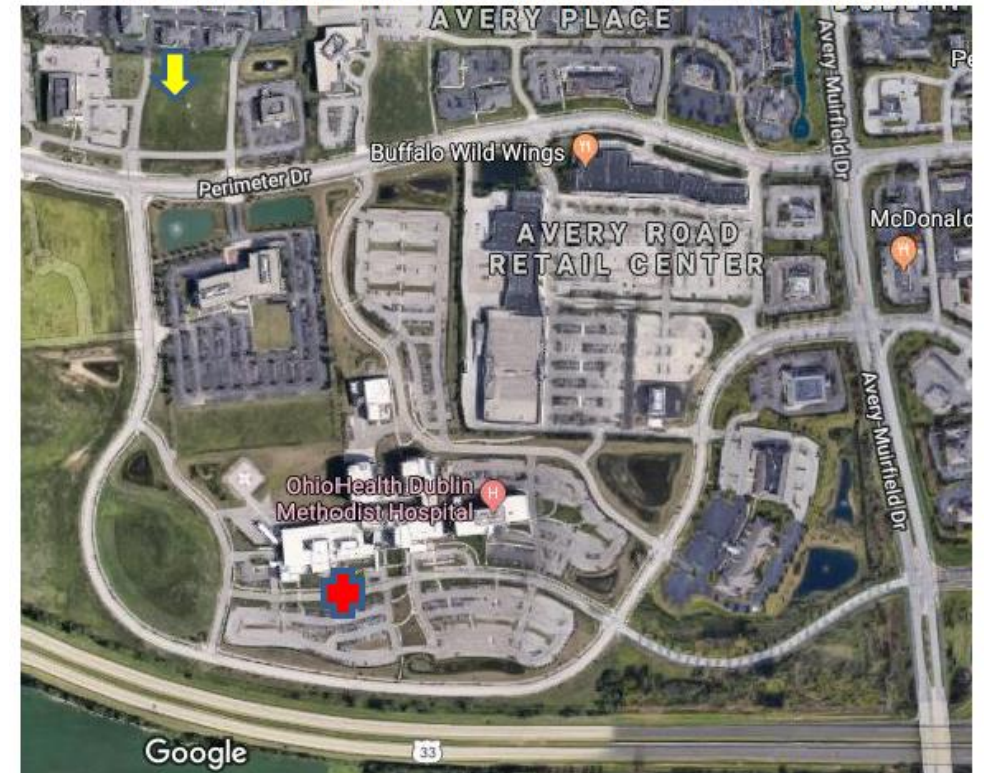

## Dublin Methodist Hospital

## Wellness Garden

Two Dublin girls, ages 10 and 11, held a bake sale this summer to raise money for breast cancer. They ended up raising over \$1400 and chose to donate the money to OhioHealth. They came to the Dublin Cancer Center on their last day of summer break to drop off the donation. The Foundation team put together a nice event to make the girls feel special. They presented the check to Dr. Oostra.

**10TV covered the event**

**Dublin girls raise more than \$1,400  
for breast cancer research**
