In 1990 a group of twenty Dublin business leaders worked together to charter Dublin AM Rotary. As a Rotary International club, Dublin AM Rotary's main objective is service – in our own community, in the workplace and around the globe. The club has grown to over 120 members, all committed to improving the lives of people through volunteerism and support of projects in Dublin, the United States and the world.

Dublin AM club members are actively engaged in community service throughout Central Ohio. Our projects are as diverse as our members. Each initiative the club takes on is driven by the passion and sense of service of members who serve as advocates within our club and our greater community.

Both Dublin AM Rotary and Rotary International focus funding and service on six areas critical to improving the lives of families:

**Basic education and literacy*

**Maternal and child health*

**Water and sanitation*

**Disease prevention and treatment*

**Peace and conflict prevention and resolution*

From ringing red kettle bells for The Salvation Army to providing funds for Welcome Warehouse, funding fresh water wells in the Philippines to fitting prosthetic hands in Rwanda, Dublin AM members serve to help families build better lives.

In 1997 the club created the Dublin AM Charitable Foundation. The Foundation, a 501(c) 3 organization, serves as the recipient of funds raised through events and donations. Funds are maintained at The Columbus Foundation. Funds for these life– changing projects are raised through Dublin AM Rotary Community fund–raisers and contributions from individuals and corporations.

The Dublin AM Charitable Foundation gratefully accepts individual donations. One–time donations as well as beneficiary donations are used to increase the foundation endowment and the group's ability to offer community grants.

Dublin AM Rotary club members have created two community events where members, friends and neighbors can enjoy themselves and raise money for the foundation:

- *Pro Am Event at the Muirfield Memorial Tournament*
- *Polar Bear Golf Open, an opportunity to golf in February in Ohio*

Both events are supported through tickets sales as well as individual and corporate sponsors. All monies raised directly benefit the foundation. Each year the Foundation board meets to review grant requests from both the club and outside groups.

In the 25 plus years of service to the community, the Dublin AM Charitable Foundation has provided nearly \$1,000,000 in grants. Those grants include support for:

The Salvation Army, Nationwide Children's Hospital, YWCA, Dublin One (fka Welcome Warehouse), Dublin Food Pantry, LN-4 Prosthetic Hand Project, Dublin Bridges, Dublin Library, Scholarship Programs for Dublin Students, Central Ohio Robotics Initiative, Habitat for Humanity and many more.

Dublin AM Rotary members value their relationships with friends and area businesses that help the club through their donations of time and money. Through the ongoing support of our community we will be able to continue to change lives and build a better world for all of us.
