Proceeds to benefit

Rotary Club of Falmouth and
Heroes in Transition

SPONSORSHIP / REGISTRATION FORM

Rotary Club of Falmouth and Heroes in Transition are looking forward to your participation and hope you will join us on June 13 at the Pocasset Golf Club.

Proceeds from the tournament will go not only towards the many community projects and scholarships that Rotary provides, but also the outdoor learning project that Rotary led and helped finance in collaboration with the Falmouth Schools.

Proceeds will also support the work of the Heroes in Transition organization. Heroes In Transition, Inc., (HIT) a 501 (c)3 not-for-profit organization, was formed in memory of Capt. Eric A, Jones, USMC who made the ultimate sacrifice while on because of Capt. Jones's dedication to the troops that his parents, Ken and Cyndy Jones, and best friend Michael Warshaw, decided to carry-on Eric's mission: "to assist the troops on the ground." Heroes In Transition provides assistance in four key areas: transitional support groups, assistance dogs, financial assistance and home modifications. Since its inception in 2010, HIT has assisted many veterans and their families on Cape Cod.

Heroes In Transition offers programs for veterans, active military, and spouses and their children. These programs are created to not only provide other avenues to transition into a civilian world, but also to bring together those that share the common bond of a military background.

With many thanks,

Rudy Hunter
Rotary Golf Committee Chair
