What has our role been in the Community?

The Rotary Club of Moe has a long and proud history of working in and supporting our local community as well contributing to a range of Rotary International Programs and Projects.

Over the years, the Club has been active in all **Avenues of Service**, which comprise **Vocational Service, Community Service, International Service, Youth Service, and Club Service**. This has seen the Club take on projects and activities close to home and overseas within the Rotary areas of focus being: Disease Prevention and Treatment; Clean Water and Sanitation; Peacebuilding and Conflict Resolution; Maternal and Child Health; Education and Literacy; Economic and Community Development; and Supporting the Environment. Many and varied fundraising activities undertaken by the Club have enabled the completion of projects and the provision of tangible financial assistance through donations to community-based organisations that provide important services in the community.

The Club has also been a regular donor to The Rotary Foundation, which facilitates projects across the world to address need. One of the key projects that the Club has consistently supported is Polio Plus, a world-wide immunisation program which aims to rid the world of this deadly and insidious disease.

In addition, the Club has played an important role in assisting in the establishment of other Service Clubs in this area, including the Rotary Club of Trafalgar and the Probus Clubs of Moe and Newborough, which have provided additional opportunities for people to be able to connect with others and engage with their local communities.

Outlined on the following pages is a compilation of the activities that the Club has been involved in over its 75-year history which provides a glimpse into the role that the Club has played in our community.

The Rotary Club of Moe received its Charter on the 1st April 1949. The events leading to the foundation of the Rotary Club of Moe are described by Charter President, Mel Wyett in the 1st Annual Report of the Club.

“A Rotary Club was needed in Moe and Jack Murnane of Warragul invited me to be his guest at an Inter Club Meeting at Traralgon about September 1948, where I was asked by Len Trigg and Jack Murnane if I would be prepared to organise a Rotary Club in Moe.

This I was very willing to do, and, a few days later at Purvis Staff Ball in Traralgon, Len Grigg, Tom Holt, Herb Beck and myself held an informal meeting and it was decided to go ahead with the forming of a Club. A number of residents were spoken to and 23 decided to ask Len Trigg to meet us at the Soldiers’ Club Rooms on the 8th November 1948, where a decision was reached to ask Morwell to sponsor a Club in Moe.

Of the original 23, two found it impossible to carry on and withdrew from the number. Our respected member and elected Treasurer, H. Kendall, died prior to the Induction meeting, leaving 20 members to comprise the total which was duly inducted as the Provisional Rotary Club of Moe on the 6th December, 1948 by the District Governor, Eric Cuthbertson and sponsored by the Rotary Club of Morwell at which Jack Lawless being President, presided.

The Induction took place in the Fire Brigade Hall. Our Charter was granted on the 30th December, 1948 is numbered 7145 and was presented in due form at our Charter Night on 1st April, 1949.

The Charter of the Rotary Club of Moe was presented by District Governor, J. Eric Cuthbertson, on 1st October 1949. Over 200 Rotarians and guests attended.

1949-50

- ◇ Vocational Services Courtesy Campaign was organised.
- ◇ Membership increased from 18 to 23.
- ◇ Dinner meetings were moved to Kayser Glove Factory dining room.

- ◇ Sponsorship of students from Lowanna Secondary College to participate in Model United Nations Assembly program, representing the country of Russia.
- ◇ Support for the Royal Children’s Hospital Good Friday Appeal collection.
- ◇ Provision of three planter boxes for garden project at Newborough East Kindergarten.
- ◇ Upgrade of boys’ toilet facilities as part of our Bali “Adopt a School” school project.

2017-18

- ◇ Donation of \$2000 to Rotary Donations in Kind to send container of medical and education equipment to Vanuatu.
- ◇ Assistance provided to Moe Apex and Lions Clubs with community bonfire and fireworks display.
- ◇ Donation of \$3000 to Disaster Aid Australia for purchase of a Sky Hydrant.
- ◇ Visit by a number of Moe Rotarians to Takasago Seisho Rotary Club in Japan for their 40th Anniversary celebrations.

2018-19

- ◇ Marigold Project to promote Rotary in the Moe community.
- ◇ Assisting Moe Life Skills Centre with landscaping of front gardens and mulching of playground area.
- ◇ Refurbishment of Club's BBQ trailer.
- ◇ Fun and fellowship Trivia Night which also raised funds for the Club.
- ◇ Assistance with repairs to Bali school following Lombok Island earthquake.

2019-20

- ◇ Significant donations included \$5000 to Gippsland Rotary Centenary House, \$5000 to Latrobe Regional Hospital and \$2000 to 1st Newborough Scout Group for a purpose built camp trailer.
- ◇ Installation of "Street Library" at Moe Railway Station.
- ◇ "Shake a Can" collection at Moe Races for local fire brigades.
- ◇ Purple Crocus project to raise funds for Polio Plus.

2020-21

- ◇ Recognition by Latrobe City Mayor as the “Mayor’s Community Champion” for the role that the Club played in the development of the Adventure Play ground in the Botanic Gardens.
- ◇ Donations of \$5000 to Gippsland Rotary Centenary House and \$3000 to Latrobe Regional Hospital, as well as many donations to a number of other local groups.
- ◇ Successful implementation of a number of youth programs including Rotary Junior Community Awards in two schools and Pride of Workmanship awards to students at all local schools.
- ◇ Ongoing support for the Club’s Bali “Adopt a School” project through purchase of face masks for students to help protect against Covid 19.

2021-22

- ◇ “We Can Do Better” project to support local food relief program
- ◇ Restoration of Gazebo in Botanic Gardens and ongoing playgroup maintenance.
- ◇ Support for local secondary students through the Rotary Foundation Student Scholarship program.
- ◇ Refurbishment of Gatehouse Gardens signage.

2022-23

- ◇ Construction of new BBQ shelter and installation of two new barbeques in Botanic Gardens.
- ◇ Well-attended Men’s Health Night held with presentation by AFL legend, David Parkin.
- ◇ Social night for past and present Rotarians, partners and guests as we took a stroll down “Memory Lane” looking at the history of the Club.

2023-24

- ◇ Ongoing support for the Club’s annual Rotary Golf Classic event resulted in great day had by all and significant funds raised of over \$21,000 for distribution to community organisations and support for Rotary programs.
- ◇ Completion of Bali “Adopt a School” toilet redevelopment and tuck shop construction project at Banyuning school.
- ◇ President’s Project to support the Wheelchairs for Kids program enabled the Club to provide funds to purchase 40 wheelchairs.

New BBQ shelter in Botanic Gardens

ALLAN McHARDY

Allan McHardy, who contributed very substantially to the first 30 years of the Rotary Club of Moe, was the fourth Club President. More significantly, he had the honour of being the first Moe Rotarian to serve as District Governor, and to be awarded a Paul Harris Fellowship. Allan was an inaugural member with the classification “Furnishing Retail”.

In 1950-51 Allan was Community Service Chairman when his committee raised 450 Pounds (\$900), quite a sum then, towards the Latrobe Valley Hospital Appeal. They also sponsored Moe children to attend the Lord Mayor’s Camp and the Sun Youth Travel Scheme.

Allan became President in 1951-52, the first year the Club achieved a 100% Foundation Plateau. The following year, as Vocational Chairman, Allan’s committee sponsored the formation of a Senior Young Farmers Club in Moe.

In 1953-54 Allan stepped into the breach, when President Jim Gleeson resigned three months into the term, due to a shift in employment location. That year the Club’s major project was the Marshall Avenue Playground.

After years of dedicated service to Club and District, Allan became District Governor in 1968-69 of the then District 282, which included all of Tasmania as well as the current area. A highlight of his year was the District Conference held at Shaw’s Ballroom, Moe.

The following year saw Allan heavily involved in International Service both as Club International Chairman and Australian FAIM Chairman in 1969-70. Club activities included support for FAIM Foundation and assisting the work of the Rotary Club of Visahapatnam, India.

In 1969-70 Allan, along with Ludy Kelsen and Allan Ormond, served as volunteers building a Teacher Training College in Tari, New Guinea as part of a FAIM team.

Allan resigned from the Rotary Club of Moe in December 1978 on leaving the district – that Rotary year he deservedly became Moe Rotary’s First Paul Harris Fellow.

BRYON PUDDY

Bryon Puddy was inducted into the Rotary Club of Moe on 31/10/1983 with the classification Education TAFE. Bryon was Program and Public Relations Chairman in 1984-85, before serving as Vocational Chairman in 1985-86. Activities included an Award to the Employee and Firm voted the best within Moe. Programs on Management Techniques held after meetings on a monthly basis proved popular with members.

In 1986-87, Bryon served as International Service Chairman. A Golf Day raised funds for IPAC and FAIM, while the Club hosted Rene Roberts from Arizona USA and Michael Lakeman went on exchange to Arizona.

The following year, 1987-88, Bryon was Club Service Chairman becoming President-Elect the following year. Bryon became President of the Rotary Club of Moe in 1989-90. Highlights of the year included another successful “Night Out” and an International Night at Old Gippsdown. Brett Cann was selected to attend the CRA Science Summer School. The Club hosted Hanako Moori and Helle Anderson, while Julie Hayden went to Brazil and Marita Peach to Japan. A donation of \$5,000 was made to the Latrobe Valley Hospital and \$1,000 was donated to World Community Service to provide a small bus for deaf students in Indonesia.

From 1990 to 1993 Bryon was District Chairman of the Rotary Foundation Ambassadorial Scholarships’ Committee. In 1991 Bryon was successfully nominated by the Club to become District 9820 Governor in 1993-94. As District Governor-Nominee in 1992-93, Bryon was heavily involved in preparation for his District Governor role while still fully involved in Club and District activities.

In 1993-94 Bryon served as District Governor of District 9820 with distinction, once more demonstrating his commitment to Rotary ideals and his meticulous attention to detail. In his District Governor’s Report of 1993-94, Bryon wrote *“Visiting the Clubs and reading the bulletins provided me with the knowledge of how our District operated and performed. There are many worthwhile projects conducted by Community, International, Vocational and Youth Service. It is particularly pleasing to know that Rotary Clubs of the District are meeting the imbalance that other institutions cannot provide. You are responding to the human needs, to the people who need your support, you are the link to a better understanding of the differences in culture and developing goodwill as well as creating peace.”*

Over the next few years, Bryon continued to make a substantial contribution at District and Club levels. He was Deputy Chairman of the District Foundation Committee in 1994-95 with responsibility for both Humanitarian Programs and Foundation before assuming the Role of District Chairman of International Service from 1995 to 1998.

In 1999, he took on the role of District Chairman of the Australian Rotary Health Fund, having previously worked for the Health Fund in the key role in establishing the Rotary Roses project, which was a joint initiative between the Rotary Club of Moe and the Rotary Club of Narre Warren. The royalties generated by the Rotary Roses, Joy of Health and Joy of Life, made a substantial contribution of funds to the Australian Rotary Health Fund over many years.

Bryon has also served as District Trainer, planning, among other things, the annual President-Elect Training Sessions and District Assemblies in conjunction with the District Governor at the time.

At Club level, Bryon continued to serve in various capacities, as Foundation Chairman, Bulletin Editor in 1995-96, and undertook key roles in a range of Club activities, including the “Blue Rock Classic”, the annual Gippsland Rotary Golf Classic fundraising event, various stints as Club Treasurer and organised a range of Foundation presentations and fundraising projects.

Bryon continued to be a well-liked and much-respected member of the Rotary Club until his death in 2021.

The Health Research Roses

The sale of the Joy of Health and Joy of Life Rotary Roses greatly benefitted the Australian Rotary Health Research Fund and therefore all Australians.

The Australian Rotary Health Research Fund enhances the health of the Australian community by provision of financial support for health research projects.

The Joy of Health – by Harkness

At only 80cm in height, the plant will give impact to its corner of the garden as it is, by nature, very profuse. Most stems bear 3-8 blooms, with a particularly dense coverage of foliage adding to the effect of the plant. The colour is a unique, soft, peachy salmon, couples with olde worlde petal formation for a most appealing compact display.

The Joy of Life – by Rosen Tantaus

This free-flowing Hybrid Tea-type rose is of excellent vigour and will normally result in plants of 1.6m in height. The blooms of all-white petals, margined with red, are given a most striking effect y the significant re-blushing outer petals. The blooms are almost always borne singly, with good length stems ideal for vase display.

THE HEALTH RESEARCH ROSES PROJECT WAS AN INITIATIVE OF THE ROTARY CLUBS OF MOE AND NARRE WARREN

The 1970's

The 1980's

The 1990's

The New Millennium

****The Gelantipy Project- 2004****

This history of the Rotary Club of Moe was prepared using information from the 50 year anniversary book prepared in 1999 by the late Laurie Huffer and material provided by current and past members

The Rotary Club of Moe acknowledges the great support given to the Club by the partners, families and friends of the members.

Without their dedicated support many of the functions and fund raising activities would not have succeeded.
