Rotary International President: Sakuji Tanaka

District Governor: Tony Spring

Assistant Governor: Sally Jones

President: Peter Kingsbury

PRESIDENT'S REPORT

2012-13

I have been privileged to be part of a great team, and hopefully I have played my role in advancing the worthwhile humanitarian causes of Rotary and had some fun along the way. Being a Rotary President may seem like a lot of hard work, especially if you have to get up to speak in public. This is one of the tasks that invokes the greatest fear. All presidents before me, if they are honest, will admit to this fear, and like all fears, if confronted, can be overcome. I have led a great team from Moe Rotary and I'm proud to have done so. Not in an ego-centric way, but in a quiet humble way to be the recipient of your trust and friendship. All their names appear in this annual report, but it does not do justice to their unbounded humanity. One of my aims for this year was to have the members and I arrive at year's end intact. This we have done. We've raised some money, distributed some, helped others, helped ourselves, made others happy and had a great adventure. Now it is time to hand over to David Power, who has had the chain of office before, and so it should sit lighter on his shoulders. I hope you give him the same support as you have given me. Keep kindness, and generosity burning bright. May all our endeavours be fulfilled.

There was a marvellous synchronicity in Rotary International's President, Sakuji Tanaka's theme for the Year, 'Peace through Service'. I have endeavoured to give you a taste of the depth of peace, in an abstract way, in my weekly column in the Bulletin. I have really enjoyed the exploration, and I hope you have enjoyed my sharing the search with you. This search led me to the Rotary Peace Conference in Hiroshima, the site of the second detonation of a nuclear device. It was an interesting conference whose impact on my way of thinking and being is now only beginning to be fully appreciated. The whole Japanese culture is infused with symbols, from their three languages to their social etiquette. Coming from a laid back, 'she'll be right' attitude one tends to gloss over the meanings and get on with it. You miss the subtlety of it all.

On a District level, we have held a cluster meeting with psychologist Dr Debra Campbell talking about the positive psychology of 'wellbeing'. This event was held at Moe RSL with over 120 Rotarians attending from the 7 clubs in the 'Cluster'.

PRESIDENT'S REPORT

2012-13

12 members attended the District Conference in Geelong. We had a great time at the 'Bollywood' themed dinner- dance with lots of friendlyship from within and out-side the club. The conference withstood the tragic death of Jared Dunscombe. This did cast a pall initially, but the venue, speakers and Rotary spirit allowed the conference to proceed. John Hutchinson, Alan Bishop, Roger Taylor and Dusty had a fun day's golf at Curlewin.

We had participation at District level by Wendy Farmer, Roger Taylor, and Bryon Puddy PDG. Dusty attended District Assembly along with 7 members. Michael Koch had a wonderful audio-visual presentation of our Bali Project. Dusty attended Multi-District PETS 1 and 2, and represented the club at the new District Grants seminar. Dusty represented the club at Group Study Exchange dinner at Traralgon to welcome the GSE team from the Netherlands. Traralgon President, Jan Spiers, was the District 9820 Team Leader. Dusty and 6 members attended a Cluster meeting hosted by the Morwell Rotary Club, with the purpose of raising awareness of recovery from Spinal Injury. We had one scatter meeting. We had a inter club meeting at Traralgon Central Rotary Club with Morwell Rotary where Police District Inspector Tess Walsh, was the speaker. Dusty attended the District Forum in Berwick. Assistant District Governor, Sally Jones, did a superb role in guiding us through the year. District Governor, Tony Spring and wife Carla, were the epitome of Rotary friendship with a positive word and kindness whenever we met.

On a club level we have had a great year. We have deepened our relationship with the Rotary Club of Seminyak, Bali, initiated contact with sister-city, Rotary Club of Takasago 'Seisho,' and Hiroshima East. Bruce Paull attended a Rotary Conference on Norfolk Island. 13 Moe Rotarians attended our 'Adopt a School' school project at the Bunatan Number 3 Primary School on Bali, Indonesia.

We have increased our membership by 9 new members. We welcomed Shen Guo, Sharli Zhang, Daryl Larson, Ken McGregor, Carel Moses, Kate and Robyn Noakes, Jason Xerri, and Diane Carson. We have not lost a member, but some have ceased to be active under the '85 year Rule'.

PRESIDENT'S REPORT

2012-13

We have been busy in the fund raising area with two major projects. The Energy Australia “Fun Run” raised approximately \$15K, and our annual Rotary Golf Day raised approximately \$27K, despite the loss of a major sponsor. Our associated Raffle raised \$4K. The distribution of funds is covered elsewhere. We have had multiple BBQ’s under the hard working leadership of Lyn Cassar, who also looked after our social program. This does not happen without a lot of input. Daniel Barry and Maureen Waddell put in countless hours with Energy Australia’s, Meredith Bowden, to ensure the ‘Fun Run’ was a success. John and Norma Hutchinson, and Michael Koch were the main spring behind another successful Golf Day. If you think these were individual events, it would not have been possible without the whole club’s support.

The same can be said for our presence in the community. Each and every Rotarian contributed. Alan Bishop made sure that we appeared regularly in the local paper. Bryon Puddy ensured an updated web-site and first rate Bulletin. Manny Gelagotis and Roger Taylor put in countless hours to make sure that the re-development of Moe Central went ahead with Moe Rotary’s previous submission. Vocational service put in a great year under Rhonda Crooks. Children from the Moe Region’s primary schools were honoured with ‘Pride in Workmanship Awards’.

We sent representatives to MUNA, RYPEN, and RYLA. We honoured locals in their vocations. We hosted John Flynn Scholarship holders Chris Lim, from Perth, and Julian Parry from Brisbane.

We have a wonderful Youth Exchange Student, Tom Boucher, from Swift’s Creek having the time of his life in Germany, if his Monthly report and Facebook are anything to go by. He is a great ambassador for Rotary, and Australia.

And we have had some fun. The Maureen Waddell, David Power team won the synchronised swimming event by drinking like a fish. There must be a moral somewhere there as David is our President-Elect.

PRESIDENT'S REPORT

2012-13

We had a games night organised by Norma and John Hutchinson, and Kate and Robin Noakes. Trafalgar, Morwell and Mirboo North Rotary sent teams, and we had lots of fun. Even the practice night was voted a huge success. Len Cairns, John Hutchinson, and Dusty won the Claude Staff Memorial Trophy at the Annual Golf Day for Rotarians. The Bali trip was a great success.

A special Thank you must go to all those who put out and packed up the meeting. David Power and his ably funny deputy Kishor Manani for being my Sergeants and making sure that the meeting ran as planned. Ed Achorn made sure the International Toast was relevant and succinct. Maureen Waddell did a great job with attendance, and Wendy Farmer for organising the year's program. Diane Wilkinson made International Women's Day a success.

Thank you all for your support. I look forward to the challenges of next year and the completion of Immediate Past President, Pash Demagistris' pavilion in the Moe Rotary Botanical gardens. A special thank you for my Board, who have supported me and stopped me falling through the cracks of process. We wish David Power and his team the best for the coming year, and I look forward to serving with you next year.

Yours In Rotary

TREASURER'S REPORT

Service Account

Continuing the trend of the last few years the Club has had a busy year, with funds being raised from a variety of sources. The Annual Charity Golf day is again the largest single income source, and the Club must be able to protect this major activity. Service Donations made to date exceed \$62,000; and over the past two years the Club has donated over \$100,000 to worthy organisations in our Town, City, Country and Internationally.

The Club has made a determined effort to reduce the costs associated with our Service Fund raising and this year over 96% of all Funds raided have been donated (the small amount of 4% is associated with the cost of maintaining our fund raising equipment). The Club does not claim any administrative costs from Service Funds.

Approximately 25% of our Donations have been to our Local Hospital (Latrobe Regional Hospital and the Gippsland Rotary Centenary House), 10% to Disaster Aid, 25% to Schools and Youth programs, 15% to International projects and Rotary International projects, 15% to Community Facilities and 10% to small local groups.

General Account (Used for Club operational expenses)

During this year the Club raised \$7000 from Member subscriptions. Opening and closing balances remain essentially the same, as it has done for the last six years, indicating that our subscription level is appropriately set. Rotary District, Rotary International per Capita fees and RI Magazine charges now exceed \$5000 per year. Catering for the year, which is in addition to our Club Subscriptions, costs approximately \$23,000 for the year, or an average of \$550 per member.

YOUTH EXCHANGE STUDENT

2012-13

Dear Rotary Club of Moe,

During the past 5 months of my exchange I have had the wonderful opportunities to explore 3 new countries with my host family, experience a great and interesting culture, meet new people and make some great new friends. And for me to have been able to experience and accomplish all of these great things is something that I owe a great big thankyou to all of you. Your assistance that you have provided to help me to go on a year of exchange and the support that you still give me and will continue to do so is something that I'm extremely grateful for.

I think that Youth Exchange is a brilliant program for young people to develop into young adults. For me to be a Rotary Exchange Student is an incredible experience, because I have the opportunity to see and experience things that other teenagers my age usually wouldn't have the opportunity to experience. I know already that from this year of my exchange will be something that will benefit me immensely in future times to come. As I have learnt how to overcome hard situations by myself and I have had to step out of my comfort zone, teaching myself that it's a good thing to experience something that I wouldn't usually be used to. I also believe that when It comes time for me to return back home to Australian and to start studying again that I'll find it more comprehensible and even maybe sometimes more easy to do.

I myself can already see that I have started to change into a different person with a more tolerant, open-minded thinking of others and I now have a different perspective on a different lifestyle of living.

So thank you all for giving me the Scholarship to voyage on this amazing opportunity to be a Student Youth Exchange for this year.

Yours Sincerely,
Tom Boucher-Hill

COMMUNITY SERVICE REPORT

2012-13

Committee Members: Daniel Barry (Chair), Alan Sinnott (Vice Chair), Dave Wood, Lyn Cassar, David Power, Julian Yeatman, Evan Platchinda, Maureen Waddell, Alan Bishop, Bruce Paull and Carol Moses.

This year has been another fantastic fundraising year for the Community Services Committee. I would like to thank my committee for all their hard work and support.

Our year was very successful as we were able to host the 2012 Energy Australia Fun Run. With over \$11,000 raised, this money will be distributed to over 10 Moe groups and Club Service Organisations. A highlight of the distribution of funds will be donating seating to the Moe/Yallourn Rail Trail Committee. We also donated to the Moe and Newborough Fire Brigades, The Newborough Scouts, Newborough Girl Guides, Moe Junior Swimming Club, Moe SES, Old Gipps town, Baringa and St Kierans Primary School.

Throughout the year we held BBQ's at Bunning's, TM & H Hardware, The Family Outdoor Film Night and at the annual Moe Family Fun Day.

We helped set up and pack up and did ticket sales for the Annual Apex Bonfire in November which had a huge attendance.

Carols by Candlelight was once again a huge success. We gave away free sausages and sold soft drinks.

Our Welcome Back to Rotary BBQ at the Botanical Gardens in January was a great way to welcome everyone to Rotary for the beginning of a new year.

In conclusion, I would like to thank my Committee for all their hard work, President Peter for his fantastic and entertaining year. And I wish incoming president David Power a great year.

Daniel Barry

INTERNATIONAL SERVICE REPORT

2012-13

President Peter and Fellow Rotarians

It is with great pleasure that I submit this report on the International Service Committee for the year.

Our members for the year were Michael Koch (Chairman) Len Cairns, John Hutchinson, Ed Achorn, Roger Taylor, Sharlee Zhang, Kishor Manani Manny Gelagotis, Daryl Larsen and Shen Guo.

This has been another fantastic year for the International committee, with full support and hard work from the Rotary Club of Moe. Special thanks must go to John and Norma Hutchinson for the effort that was put into the Golf day.

As last year, we saw the continuation of the weekly International Toast. Ed has done a marvelous job bringing interesting information every week to our meetings.

Rotary Youth Exchange, a big part of International Service, saw Tom Boucher-Hill from Swifts Creek take part in an exchange with Austria. Tom gave a presentation to the club on the 10th December and was presented with his Rotary exchange jacket.

The Bali project supporting the Banyuning SD3 Primary School saw a group of thirteen Rotarians and their partners descend on Bali in November. The group consisted of Michael Koch, Neil McCluskey, Kishor , Reshma and Joey Manani, Bruce Paull and Irene. Roger Taylor and Irene Ballard, Len Cairns, Julian and Jocelyn Yeatman, we also had the pleasure of President Peter Kingsbury. The group was very pleased to see the completion of the Library the sick bay and the installation of the overhead fans in the classrooms.

INTERNATIONAL SERVICE REPORT

2012-13

The group before returning home invaded the weekly meeting of the Rotary club of Seminyak and was made very welcome. May of this year Michael and Neil made a flying trip to Bali to see how the school is going only to find it requires desks and chairs for a classroom. The school also needs repair to the toilets, as only two are functional for 250 students.

The 8th of October saw another successful film night with good fellowship enjoyed by every one. Moe went to the movies. The film was Taken 2 with light supper and refreshments served after the film. The night saw around 180 participants.

Kishor organized an International Theme Night on the 18th February held in Warra-gul at the Thai restaurant. Rotarians and their partners wine and dined with a number of Thai dishes. The evening was enjoyed by all with good food and fellowship.

INTERNATIONAL SERVICE REPORT

2012-13

This year International service ran the Golf day. This would not of been possible without the support of the whole club, the Golf day is a club event and the club should be congratulated for all the hard work and effort. John and Norma Hutchinson are a big part of the success of our Golf day, thank you John and Norma.

Yours in Rotary

Gippsland Rotary Golf Classic 2013

raises over \$27,000 for local Charities

The 13th Gippsland Rotary Golf Classic held at the picturesque Yallourn Golf course on 18 March 2013 was another great day due to the generous support of our Sponsors, Community and all those who played and participated on the day and in the evening.

The weather and the course were perfect so that the players and workers had a day that was enjoyed by all of us.

The winners in the golf appreciated the generosity of the sponsors and the raffles and auctions were well supported, a lot of fun and made everyone a winner on the day.

We raised over \$27,000.00 on the day and this money will be distributed by the Rotary Club of Moe over the next couple of months. As indicated before the event, the major beneficiaries will be Latrobe Regional Hospital, Gippsland Rotary Centenary House, Rotary Club of Moe Emergency Relief Fund and projects in our Moe community.

The major winners of the golf were:-

- The Best 3 Person Ambrose team were a team from one of our major beneficiaries Latrobe Regional Hospital consisting of Nick Moisis, Catherine Greaves, a virgin golfer, and Sam Craighead with 56 1/6 nett.

- The Runner's up were regular sponsor Gregory's Sports and Music. The team was Brian Gregory, Reuben Kincaid and Mery Beebe with 58 5/6 nett.

- Third place went to another regular sponsor RGM consisting of Bill Estrada, Murray French and Ray Hooper 60 2/3 nett.

- Fourth place went to EnergyAustralia another regular sponsor with a new name. The team consisted of Dale Collings, again in charge assisted by John Horrocks and Colin Cook.

- The Best Rotary Team and winner of the Claude Staff Memorial Trophy were the team from Rotary Club of Moe consisting of Peter Kingsbury, John Hutchinson and Len Cairns (for his first golf trophy) with 62 1/6 nett.

The Rotary Club thanked Yallourn Golf Club for their excellent presentation of the course and Clubhouse and the great service provided to all throughout the day and the evening.

Again, thanks for being part of a great day and we look forward to you joining us again next year on 24 March, 2014.

The Rotary Club of Moe wishes to acknowledge these organisations for their generous support of the GIPPSLAND ROTARY GOLF CLASSIC 2012

VOCATIONAL SERVICE REPORT

2012-13

The Vocational Committee kicked off the New Year with a MUNA debrief visit from the two Lowanna students our club sponsored in the previous year (a month earlier). This was a great way to commence a new year – youth, vibrancy and a positive enthusiasm. Tonya Ryan and Natalie Acreman had a fantastic time during MUNA and clearly expressed their sincere gratitude to Rotary.

The Rotary Club of Moe was delighted to welcome and present two local businesses with the Vocational Business Awards for 2012/2013. Andrew and Kate Corrigan from Frame by Frame, together with Christine Waterhouse and Sue Broadbent from Furniture Beds and More, were delighted to receive these awards in recognition of their economic and social contribution to the local area.

We were also delighted to present John and Maree Hall with the Volunteers Recognition award. John and Maree have tirelessly spent many many hours cleaning the streets of Moe. Their strong community focus continues to be a prominent element of their daily lives.

In November we happily invited back our John Flynn Scholarship recipient Chris Lim. Chris is in his fifth year of medicine and is currently working at the Kalgoorlie Hospital. Chris advised he very much enjoys the two weeks he spends in our region each year. This visit saw Chris spending his time between The Moe Medical Centre and both hospitals in Traralgon and Warragul observing surgical procedures. No doubt The Rotary Club of Moe will receive Dr Lim again later this year.

The biggest event for the Vocational Committee in terms of organization is the Pride of Workmanship awards evening and the 2012/2013 was no exception. We had a fantastic turn out and 100% attendance by all invitees.

VOCATIONAL SERVICE REPORT

2012-13

Once again our whole club came together to make this night an absolute success. Students, parents and school officials beamed with pride as the children stepped up and proudly accepted their awards.

Unfortunately our school debate between Lowanna and Kurnai Colleges scheduled for March 2013 had to be deferred due to industrial action. However it is anticipated that the debate will go ahead in the new Rotary year with the subject being - 'Same Sex Marriage Should be Legalised' with Lowanna taking the negative approach.

The 2013 Rotary Youth Leadership Award (RYLA) was held at Rawson Village 19 to 21 April 2013. The 2013 Model United Nations Assembly (MUNA) was held over the same weekend at Forest Edge. Both programs attracted many potential participants and our club exceeded attendances from our local area. Two applicants attended RYLA and six applicants attended MUNA. I was lucky enough to visit RYLA this year with President Peter and it was clearly evident that both our participants were very much happily engaged in the program. We anticipate their attendance at The Rotary Club of Moe for a debriefing dinner shortly. The six MUNA participants will be attending a debriefing dinner at The Rotary Club of Moe, along with representatives from The Rotary Clubs of Traralgon, Traralgon Central and Hazelwood on Monday 24 June 2013. These three clubs helped fund the additional MUNA participants and we will be pleased to welcome them to The Rotary Club of Moe to enjoy fellowship and feedback from the MUNA participants.

The 2013 Rotary Youth Program of Enrichment (RYPEN) was held at Forest Edge over the weekend 3 to 5 May 2013 and our club sponsored two students from Lowanna College to attend. I had the pleasure of dropping off and picking up the girls - Georgina O'Connor and Mikka Van Opijnen, to and from Forest Edge. They had a wonderful time and were fully participative in all activities. Friendships were made, much laughter prevailed and serious subjects were given serious consideration – bullying being just one of the topics covered. Following dinner with the girls and a debrief on RYLA (13 May 2013), I comfortably reported the following to Lowanna College - “They came along to Rotary last night and debriefed the club on their activities and their overall view of RYPEN in such a professional yet succinct friendly manner.”

All of the Vocational Committee members have contributed throughout the year and I thank them for their support. Maureen Waddell will take over as Chair from 1 July 2013 and I am sure she will do a fine job.

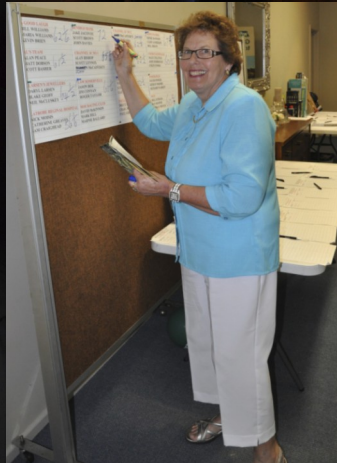

Thank you to everyone for your continued support and active participation.
