PRESIDENTS REPORT

I would like to start my Report by using my opening remarks in the same light as I did back in 2002 - 2003 by saying 'This Report encompasses the accumulative efforts of our entire constituency and highlight some of the more memorable moments of what was a very busy year.

In the past twelve years since my last Presidency, I have seen at least one of the projects that was part of that year come to fruition that being the construction of a Town Clock. Be that what it may, the clock was not the format I had hoped for but none the less - a clock. My year really was full of meetings starting with Kay Radford and the Cluster Meetings. I suppose without meetings nothing would ever get done. My involvement in the Blue Rock Committee; Chairing the Club Service Committee for the majority of the year; the Rotary Golf Classic Committee; the Rotary Adventure Park Committee and the Membership Committee, to mention a few, have all helped to make this year both constructive and rewarding.

We were lucky enough to have our DG Charlie and Janne attend our Club on three separate occasions along with Kay and Tony Radford. It made those social events even more memorable. The class of Guest Speakers was excellent. Many thanks to Peter Kingsbury. I would also like to thank Vincent Powitz as our International Exchange Student from Germany for his involvement in our year and his commitment in attending Club Functions. I'm sure he will return to Germany a much better person for his year in Australia. Our Out Bound Exchange Student, Mikayla Arnold, I'm sure is having a great Exchange in America and is not due back until the end of the year.

Some of our achievements during the year are as follows:-

- ◆ National Youth Science Forum - Kellie Wilson
- ◆ John Flynn Placement Program - Andrew Chan/Jacqueline Quoi
- ◆ Rotary Junior Community Awards
- ◆ Pride of Workmanship Awards
- ◆ Completion of our Social Media Rules and Policies
- ◆ Business Excellence Awards
- ◆ RYLA
- ◆ The Bali Project
- ◆ The Rotary Bowell Scan Project
- ◆ Shine On Awards
- ◆ The Gippsland Rotary Golf Classic - 23/03/2015

- ◆ The Blue Rock Classic - 8/03/2015
- ◆ The Moe Apex Fire Works Night
- ◆ The Moe Racing Club Race Day and Motor Show Support Day - 22/02/2015

None of which could have been achieved without the tireless efforts from Club Members and friends. Thank you.

At this point, I would like to mention a few memorable moments we had through the course of the year.

- ◆ The International Getaway three Day Trip down to John and Norma's home in Lakes Entrance.
- ◆ The Bishop's Party in Trafalgar.
- ◆ Carols By Candle Light at Old Gippsdown.
- ◆ Norma's Paul Harris Fellow.
- ◆ The Film Night in Morwell.
- ◆ The Historic Film Night at our Club Meeting.
- ◆ District Conference in Shepparton - 28 to 30/03/2015.
- ◆ The Hat Party.
- ◆ The Thai Restaurant Night Out.

All of this went to making this year one to remember.

Of course, as we wind up the year, it would be good to reflect on some of the donations we were able to make here and overseas:-

- ◆ The Disaster Aid Contribution to Vanuatu's Sky Hydrant Water Filtration System - \$3,000.00.
- ◆ Bridges Out Of Poverty - \$2,500.00.
- ◆ Latrobe Valley Hospital - \$6,000.00.
- ◆ Centenary House - \$7,000.00.
- ◆ Thailand Orphanage - \$2,000.00

To mention a just a few.

At this point, I would like to give special thanks to Roger Taylor for his exemplary undertaking with the production of our Moe Rotary Bulletin. Well done Roger. I won't forget Maureen for holding the financial reigns. Well done Maureen. Dave, I couldn't have done it without you mate. To Bryon for your guidance and commitment and to my team of Directors - Wendy, Dianne, Alan and Michael - to each and everyone of you for your assistance over the last year - thank you.

Bruce Paull
President
2014-15

Service Account

Continuing the trend of previous years, the Club has had a busy year with funds being raised from a variety of sources. The Annual Charity Golf day is again the largest single income source and the club must be able to protect this major activity.

The Service income for the year is in excess of \$40,000 and Service donations made to date exceed \$26,000. Service donations made to date are lower than previous years due to an attempt to stockpile some service funds for some upcoming projects.

General Account

During this year the club raised \$5,400 from member subscriptions and the opening and closing balances remain essentially the same, as it has done for the last eight years, indicating that our subscription level is appropriately set. Rotary District, Rotary International per Capita fee and RI magazine charges now exceed \$6,000 Per year, Catering for the year, which is in addition to our Club Subscriptions, costs approximately \$17,500 for the year or an average of \$480 per member.

I have tried to provide a varied program during the year. There are often conflicting requirements by various forces, the greatest of which is nothing. However, we have never succumbed to this charlatan. I have tried to tread an even path, and if I have failed, then it is not for the lack of trying. I have strived to do the best for the Club, of which the greatest value is fun.

Dear Rotary Club of Moe.

Thanks for making this amazing year possible by hosting me. As I have told you already many times, I did a lot of stuff here. I've seen most of Victoria, I visited Tasmania with my school and travelled then through Australia.

When I came here I found the aussie accent a bit silly and hard to understand. Now I can understand most of the words that everyone is throwing around me! I even forgot a little how to speak in german.

I often got asked about my highlight in this year. That is a very hard question for me because I did so much awesome stuff in this time so I can't tell the best out of it. I think my highlight is the actual exchange year. Everything.

I had four different host families in Newborough, Moe, Trafalgar and Yarragon. I also changed my school during the summer holidays from the Lowanna College to Trafalgar High School.

I got to see the Great Ocean Road, Tasmania, the Dubbo Zoo, Eden, Cape Paterson and many other places. I also went many times to Melbourne for the day to meet there the other exchange students and to visit the city. I also got into the Aussie Rules Football. I went many times to Melbourne to watch AFL Games or watched them on TV. My team is Collingwood and I even played two times country footy.

Now I am also happy to see my family and friends again. So thank you very much once again for hosting me. I had the best experience that could happen and it changed my way of thinking about the world and about other countries and their cultures.

Best wishes and I hope to see you all again (also my tree),

Vincent Powitz, Germany.

Committee Members:

Alan Bishop (Chair), Alan Sinnott, Lyn Cassar, Sue Marsh, Julian Yeatman, David Wood, Pash Demagistris, Ken MacGregor, Rhonda Crooks, Nathan Harding, Dean Pascoe, Evan Platschinda

My role as Chair of the Community Service Committee has once again been very productive and rewarding.

NEWBOROUGH GIRL GUIDES

Following on from the minor repairs carried out at the Newborough Girl Guides in 2014, we were able to continue to assist the club with the painting of the interior of their hall.

A working bee consisting of several Rotarians and their family members was organised and over a period of a couple of weeks we painted the inside of their hall.

HAT NIGHT – MENTAL HEALTH WEEK

A Hat Night was arranged to raise funds for the Men's Mental Health. Rotarians were invited to wear a hat to the Monday night meeting. Hats of many different colours, sizes and shapes turned up. To add to the fun on the night, a game of Celebrity Heads was organised.

MOE TRADERS – TURNING OF THE SOIL

In September 2014, we were approached by Moe Traders to provide a bbq at the 'Turning of the Soil' for the new Moe Precinct Building being constructed in George Street, Moe.

The event was attended by Federal, State and local politicians along with approximately 150 members of the public. We were delighted to be present at this great milestone for Moe.

NEW PAVILION IN BOTANICAL GARDENS

In October, we had the official opening of Pash's Pavilion. Prior to the big day, a working bee was organised to remove graffiti and all the seats, tables and concrete were pressure cleaned.

Rotarians witnessed our Latrobe City Mayor, Sharon Gibson and Pash Demagistris cut the ribbon to officially open the pavilion.

ALBERT STREET PRIMARY SCHOOL—2nd Stage Garden project.

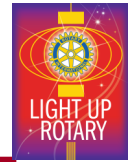

Our club again assisted Albert Street Primary school by organising the delivery of garden soil for newly constructed garden beds. The soil was delivered and with the assistance of Daniel Barry, Ken MacGregor and a donated bob cat, the soil was placed in the garden beds ready for the students to commence their community garden.

BARBEQUES GALORE

Some of our most successful fund raising efforts for the year have been providing assistance at the Moe Racing Club and Energy Australia.

In December, we were approached to cook and serve a bbq at both the Moe Races and Energy Australia on the same day. Thanks to our generous members we were able to meet both obligations.

Earlier this year, we again assisted the Moe Racing Club at their Car Club/Race Day event. Quite a few Rotarians volunteered their Sunday to help direct traffic at the Car Club show and to cook a bbq.

CAROLS BY CANDLELIGHT

The annual Carols by Candlelight was once again held at Old Gippsland. Rotarians cooked and handed out free sausages and were entertained by the wonderful groups singing the Christmas carols

GOOD BEGINNINGS AUSTRALIA

This year, our club was fortunate to meet and learn about Good Beginnings Australia, an organisation that believes in a good beginning for every child.

Two representatives from Good Beginnings Australia attended our Monday meeting and gave a very informative talk on the support and activities that they provide in the Latrobe Valley area. Following their presentation, a cheque for \$500 was donated towards the purchase of new books.

In May this year, Good Beginnings Australia requested our assistance in providing a bbq for their family day. We purchased sausages, hamburgers and bread and cooked lunch for the children and their families.

GIPPSLAND HILLCLIMB CLUB

One of our fund raising efforts for the year was to provide a bbq at the Gippsland Car Club Hillclimb over a period of several weeks.

Several of our Rotarians braved the elements and cooked up a storm for the hungry competitors and spectators.

In conclusion, I would like to thank my committee for all their hard work and wish Pash Demagistris all the best in chairing the committee for the 2015-2016 year.

Alan Bishop
Chair
Community Service Committee
2014-2015

I am very pleased to submit this report on the activities of the International Service Committee for the year 2014-15.

Bali

International committee have once again had a busy year. A group of Rotarians travelled to Bali in November & spent some times at the school with the students of Bunutan Number 3 State School on the east coast of the island of Bali in Indonesia. While visiting the school the group painted and updated the sick room. The club has also set aside some finances to build an undercover play area & store room at the back of the school. Len Cairns and Wendy Farmer attended the Elizabeth St, Primary School in Moe & spoke about how and why the Rotary Club of Moe is involved in this project in Bali with a great response and interest from the students and they would like their school to be part of the Bali connection between students.

Rotary Youth Exchange

This Rotary year we once again hosted an Inbound Exchange Student Vincent Powitz who came to our district and club in July 2014 from Germany and has had a wonderful year experiencing life in Australia. Throughout the year Vincent has experienced lots of Australia, possibly many parts of Australia that some of us Rotarians haven't seen. He has also participated in a lot of club activities and always seems to have that Rotary smile. A huge thank you must go to Rotarian and non-Rotarian families that hosted have Vincent, and also to Vincent's counsellor, Alan Bishop, for always being there in a counselling role Vincent when needed.

We also said goodbye to Mikayla Arnold as she left for her exchange year in January 2015 to Buffalo USA, Mikayla has had some awesome experiences on exchange and continues to fulfil her dreams and tick off things she has wanted to do on her bucket list.

I am sure both Vincent and Mikayla will remember the good and the not-so-good experiences of youth exchange for the rest of their lives and, because of these experiences, will be able to face the challenges of life with more maturity, wisdom and confidence into the future.

Boystown

Boystown is an Orphanage in Thailand. We are looking forward to sending the funds that have been granted to the Boystown for the repair of the school roof. As a club we have been offered to have a look at what this school does for the lives of the young men who are in the orphanage.

Movie Night

Our committee organised a very successful movie night in October 2014. The movie being, A Walk Among the Tombstones & supper, with over 100 people attending for a good night and lots of fellowship.

International committee have had a great year with lots of fun & fellowship as well as putting lots of idea's forward to the whole of the club. I would like to personally thank the whole committee for the input they have had in this committee and wish them all the best in the committee's they will continue in. Thank you Bruce Paull for the opportunity to have been part of the Rotary Club of Moe Board for the year 2014/15.

Wendy Farmer
International Service Chair.

Gippsland Rotary Golf Classic 2015

The 15th Gippsland Rotary Golf Classic held at the beautiful Yallourn Golf course on the 23rd March 2015 was another great day due to the generous support of our Sponsors, Community, Rotarians and all those who played and participated on the day and in the evening.
