

## WE ARE ROTARY

Rotary brings together people like you — from all walks of life — who want to use their expertise for good. People whose sense of responsibility inspires them to give back to their communities. At Rotary, we connect for good — and form lifelong friendships in the process.

Together, we empower youth, improve health, promote peace, and advance our communities in all corners of the globe. With 1.2 million members in 34,000 clubs worldwide, our global community's impact has never been greater — and it continues to grow.

## SERVICE ABOVE SELF

### MAKE A DIFFERENCE

Belonging to a Rotary club provides members with an opportunity to give back to their communities and to connect with like-minded leaders and friends.

People join Rotary for many reasons, including community involvement, personal development, professional networking, and camaraderie.

But perhaps the most important benefit is the satisfaction you gain from making a real difference in your community and in the world.

Together, we are making great things happen.

### OUR LOCAL CLUB

Our club gives you an opportunity to join leaders to take action on important issues affecting our community, our nation, and the world. We also have fun — whether we're socializing or working together on service projects.

Members of our Rotary club connect at weekly meetings and learn from business experts, political and civic leaders, and entrepreneurs, who help us stay informed on topics that are relevant to our community.

## YOUR OPPORTUNITY

Maybe you've seen a need in our community and wondered how you could help. Maybe you want to use your talents to help others—or even learn new skills.

We partner with local organizations to maximize our impact and expand our reach.

Whatever your reasons, joining Rotary can help you achieve these goals, and so much more.
