

## Participate in The Rotary Club of Chardon Display of Flags!

Lease a US Flag for \$50 per year per flag for 6 Holidays. Show your patriotism and lease a flag or two for your yard!

### *Please Note:*

**Businesses:** allow your employees to donate towards a group of flags, subscribe for 10 or more flags to make your firm a very visible participant and be listed on our website's Sponsors page.

**Veterans:** if you would like to honor a veteran with your flag, for an extra \$5 we will put a small sign at the base of the flag "This Flag in honor of Veteran (name)."

**Gifts:** What a perfect gift for any occasion!

### **Sponsor your street!**

Ask your Homeowner's association to participate!

To Subscribe and for more details visit us online: [chardonrotary.org](http://chardonrotary.org)

## The Rotary Club of Chardon "Display of Flags"

A special Display of  
American Pride in Chardon

---

*Join your Friends and Neighbors. Show your Patriotic Pride and Participate in the "Display of Flags"*

---

The Display of Flags is an effort to foster community pride and serves as a fundraiser for The Rotary Club of Chardon to support local and international education and health initiatives.

A 3x5 foot flag on a 10 foot pole will be placed in your lawn before the holiday weekend and retrieved after the holiday.

*All proceeds will support  
The Rotary Club of Chardon projects.*

For only \$50 you will receive a flag for all of 2017 holidays as noted. Order 2, 3 or more flags and receive a discount.

**MEMORIAL DAY**  
**FLAG DAY**  
**INDEPENDENCE DAY**  
**LABOR DAY**  
**PATRIOTS DAY**  
**VETERAN'S DAY\***  
*\*weather permitting*

**How it works:**

1. Residents submit their application and payment. Please include any special notes, such as whether you have a sprinkler system.
2. Before the next holiday, we call the Ohio Utilities Protection Service (OUPS) to verify locations for base installation.
3. After OUPS gives the okay, a team will come to install the 18" schedule 40 PVC base in your yard. A red cap will be put on the end. Your mower will not hit the pipe or cap! We use GPS technology to identify the exact position of the base.
4. A couple days prior to each holiday, the flags are placed in yards. Depending on weather, dry flags are retrieved and stored properly.

**Application. Please print neatly.**
