Our speaker last week was Richey Piiparinen, Director, Center for Population Dynamics, Maxine Goodman Levin College of Urban Affairs, CSU. ## RYLA Mentorship Program

Rotary Youth Leadership Awards is a 5-day overnight Leadership camp offered to students that have just completed their junior year in high school. The camp is held at Baldwin Wallace University, . Through Camp RYLA, the participants, the "leaders of tomorrow", have the unique opportunity to be exposed to many facets of leadership by individuals who have already learned to be leaders in their professions or fields. **THE YOUTH SERVICE COMMITTEE NEEDS YOUR HELP**, they are looking for individuals to mentor the students that will be selected from our CMSD schools. You will be the liaison between Rotary, the parents and the student. If transportation is needed you would take the student to camp June 10<sup>th</sup> Registration begins at and pickup June 14<sup>th</sup> after the banquet at 8:30 p.m. You are also welcome to attend the banquet as many Rotarians will tell you it is a "life changing Rotary moment" to see the growth of each student in a one week' time. If you are interested in Mentoring please contact the Rotary Office or talk to Don Zimmerman at a Rotary meeting.
