## What happened last week?

In celebration of Navy week here in Cleveland, we heard from Benjamin Martin, Commanding Officer, Navy Recruiting District Ohio. He brought with him several other navy personell, it was an honor to interact with different levels of the navy, hearing about their capabilities and challenges and what they are doing to ensure the future is strong. Hopefully some were able to take in the Cleveland Air Show as the dedication to our Amed Services was the focus. We thank all those that have come before us and those that stand tall today in securing our freedom and saftey, God Bless America!
