FEATURED BENEFICIARIES

OUR FEATURED BENEFICIARIES

The Gift of Life program of Northeast Ohio is one that *The Rotary Club of Hudson* has helped sponsor for many years. Funds raised from our Gala provide needed heart surgery for struggling children in underdeveloped countries, one of which is Haiti. Doctors from our area (some of whom live here in Hudson) and local hospitals donate their skills and services.

"RUOK?" is a **NEW** innovative program initiated by **Hudson's EMS Outreach**, designed to touch base with Hudson's senior citizens who are living alone and would appreciate a friendly call to inquire regarding any health or safety needs they may have. Senior citizens will register to be on the volunteer call list, and should the caller determine a need exists, the appropriate local services will be contacted. This volunteer program will be launched in 2018 having gained encouragement from Hudson's Fire and EMS departments, along with the blessings of City Council. Funds raised will help purchase appropriate tracking software.

"Uncharted Waters": *What Every Senior Needs to Know Before Going to College*, is a comprehensive one-day workshop orchestrated by **Hudson Community First** for all Hudson High school seniors, both boys and girls, to examine the difficulties young people may face when they leave high school and enter their college years. Topics include anxiety and depression, binge drinking, drugs, date rape, fire safety and overall wellness. Speakers include psychologists, safety counselors, college administrators and college students.

AND MORE ...

The Rotary Club of Hudson supports Hudson students through our ongoing substantial Scholarships, the renowned Service Learning Class and Boy Scout Troop 321, programs that afford students opportunities to help and represent the overall Hudson community.

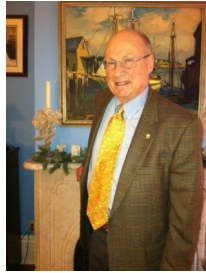

Listed above are only a few of the many grants *The Rotary Club of Hudson* awards through its non-profit Foundation on an annual basis. For a complete list of grants awarded, please visit our website: www.rotaryhudson.org
