The Four-Way Test

Of the Things we think, say or do:

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

A FEW OF OUR PROJECTS / CAUSES:

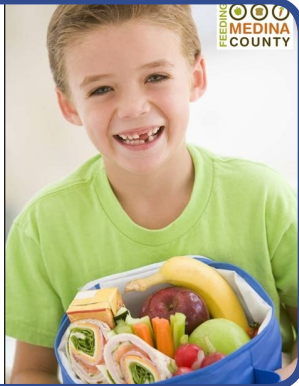

The mission of **Medina Creative Housing, Inc.** is to enable individuals with disabilities to live their lives with greater dignity, opportunity, independence and value.

WEEKENDER PROGRAM FOR SCHOOL CHILDREN

MAKING A DIFFERENCE

In Medina County alone, close to 8,000 children are on the free and reduced lunch program. Do you know what happens to children when they go home for the weekend?

Weekenders for Children happens!

A grocery bag of healthy foods is prepared by volunteers to help fill the gap for those students and families by ensuring that kids show up Monday morning feeling nourished and hungry for learning, not for food.

SERVICE ABOVE SELF

END POLIO NOW

- More than 2 billion children have received oral polio vaccine since 1985
- Rotary has committed over \$1.8 Billion to eradicate polio

Rotary has been working with UNESCO, WHO, UNICEF, Gates Foundation and CDC to eradicate polio for 30 years. Our goal of ridding the world of this disease is closer than ever.

As a founding partner of the Global Polio Eradication initiative, we've reduced polio cases by 99.9% since our first project to vaccinate children in the Philippines in 1979.

We've helped immunize more than 2.5 billion children in 122 countries. So far, Rotary has contributed more than \$1.8 billion towards eradicating the disease worldwide.

Today, polio remains endemic only in Afghanistan, Nigeria, and Pakistan, but it's crucial to continue working to keep other countries polio-free. If all eradication efforts stopped today, within 10 years, polio could paralyze the lives of as many as 200,000 children each year.

MEDINA SUNRISE ROTARY SUPPORTS SHELTERBOX

The **Shelter Box Program** provides temporary shelter in devastated areas at the cost of \$1000/box. 90% of Shelter Boxes are placed by Rotary, often responding in just 24 hours.

The **Children's Center's** mission is to nurture abused and neglected children through collaboration, advocacy, treatment education, and prevention.

Programs include: Child Advocacy Center, Family Visitation Center and Anti-Human Trafficking Awareness Programs.

Sanyuka's mission is to change lives in Uganda by giving orphaned and vulnerable children a family, a home, and an education in an environment that is self-sustaining. They build families for children in need, help them shape their own futures and share in the development of their communities.
