

MEDINA SUNRISE ROTARY CLUB

August 2010 Newsletter

1. Joe encouraged all members to go to our web site to update member profiles

2. A note from Sabrina:

We want to do something a little different this year with Speakers. Along with speakers that we invite to our club meeting to discuss the various community programs and events, we would like to showcase your business. So we would have one Rotarian introduce another Rotarian and discuss them and their business.

Please see Sabrina Cochran to if you have an idea for a speaker for our meeting.
