Message from the President

Welcome to the Rotary Club of MedinaSunrise! Our motto for this year, 2010-2011, is "**Building Communities, Bridging Continents**".

Our club has served MedinaCounty and locations worldwide since 1994. Our goal is to encourage and foster the ideal of service. To foster the ideal of service **Building Communities**, in the last year we have supported local charitable organizations such as the Children's Center of Medina County, Big Brothers and Big Sisters. We support other projects such as the Medina International Festival, the purchase of library books, and contributed to the Battered Women's Shelter for an updated playground. We work with the local juvenile judge to interact with the adolescents in their assembling teddy bears which they deliver to foster children around the holidays. We contribute a substantial amount of funds to the needy families of five local school districts. Finally, we support the publication of Ink Spot, a literary effort undertaken by the students in our school districts.

We are committed to making our community a better place to live.

We serve the World Community by joining more than 1,200,000 Rotarians on 5 continents in 200 nations. We contribute substantial funds to our Rotary International Foundation. We support various international projects and have journeyed to other countries to support these projects. We take **Bridging Continents** seriously!

Fellowship and fun are also hallmarks of our Club. Our weekly breakfasts are highlighted by entertaining, thoughtful speakers who cap off an opportunity to interact with your professional and business peers in a warm, friendly environment. The time and location are listed under Meeting Information on this web site.

Join us in our effort to "**Build Communities, Bridge Continents**"!
