**Program Notes**

**Allen Armstrong** shared 1,001 facts about soybeans. He is a fourth generation farmer and township trustee in Clark County. Soybeans are a \$2.6 billion crop in Ohio, covering 4.6 million acres.

Ohio is the sixth leading state producer of soybeans.

Where can you find soybeans? In soap, vitamins, make up, pet food, bio-diesel and of course tofu.

Want to see Allen Armstrong in action. He has some video on YouTube. [Check him out right here.](#)

*Meeting Notes continued from page one*

Handwritten notes from Carlisle Elementary School students thanking us for dictionaries were spread around our tables. Thank you Guy Naples for leading this project.

Pieces of Eight: Mike Dickey had lucky #978 and won the weekly drawing but failed to pull the white marble out of the box.

An announcement about a community-wide fundraiser to support Meals On Wheels in Delaware County cost Mike Miller \$1. [View details here.](#)

Please see Dusty Hostutler if you have ideas about our participation in the April District meeting for Rotary.
