Assistant District Governor Fran Veverka presented Brandon with a Library Book in honor of his service. She then inducted Larry Garrett in as 2014-15 Delaware Rotary President. The Board of Directors were then installed as well. Larry presented Brandon with a thank you gift and let him know how much the club appreciated his work as President. Great job! Larry shared some thoughts for the upcoming year. He would like us to focus on bringing in new members and look at even more ways we can support the needs of our local community. Larry will be posting committees, members, and vacant positions on a slider weekly. Please get him updated committee info – if you are willing to serve on a committee either to continue from last year or as a new member, please email Larry and the committee chair and let them know. Larry invited people to email or call him with their input and feedback. Thank you Larry for being willing to serve as our 2014-15 Rotary President!

*Note: Each member is allowed 4 e-makeups every year. This is a convenient way for you to make up if you miss a meeting and are unable to attend another. Go to*

<http://rotaryclubone.org/makeups/howtodoamakeup/>

*These make-ups must be done in accordance with the regular make-up policy. You can learn more about what counts as a make-up, what the timeframe is etc by going to the website, logging in, & going to club documents.*

*Why is attendance emphasized in Rotary?*

*“Regular attendance is essential to a strong and active Rotary club. The emphasis on attendance is traced back to 1922 when Rotary International announced a worldwide attendance contest that motivated thousands of Rotarians to achieve 100 percent attendance year after year. Many Rotarians take great pride in maintaining their 100 percent record in their own club or by making-up at other Rotary club meetings.*

*The bylaws of Rotary require members to attend only 60 percent of all meetings. Rotary stresses regular attendance because each member represents his own business or profession and thus the absence of any member deprives the club of the values of its diversified membership and the personal fellowship of each member.”*

*From the ABCs of Rotary, by Cliff Dochterman*
