### **Program:**

Mary Jane Santos, Club Secretary, introduced today's speaker, Debra Shinoskie, who represents AARP and the SCSEP program.

According to the US Department of Labor website, The Senior Community Service Employment Program (SCSEP) is a community service and work-based job training program for older Americans. Authorized by the Older Americans Act, the program provides training for low-income, unemployed seniors. Participants also have access to employment assistance through American Job Centers.

SCSEP participants gain work experience in a variety of community service activities at non-profit and public facilities, including schools, hospitals, day-care centers, and senior centers. The program provides over 40 million community service hours to public and non-profit agencies, allowing them to enhance and provide needed services. Participants work an average of 20 hours a week, and are paid the highest of federal, state or local minimum wage. This training serves as a bridge to unsubsidized employment opportunities for participants.
