### Program Highlights:

Barb Walters introduced Vitoria Hidemi from the Rotary Youth Exchange Program.

Vi became interested in the exchange program when her mother persuaded her to join the Rotary Interact *Club when she was 11.*

Vitoria gave us a brief sketch of her home country, Brazil. Vi explained Brazil's flag and gave us a brief tour of Brazil. Vi explained that Brazil does not have a winter season and that she wants to experience snow. We hope Vi gets to experience snow, but not too much, and preferably in front of a cozy fire with hot chocolate!

Since Vi has been here she has seized many opportunities. She attended a Columbus Crew Game (they won) and was charitable in her review of the team. Vi has gone to an OSU game and has learned our Buckeye traditions. She travelled to Niagara Falls, spent time at the Delaware Police Department (voluntarily), kayaked, attended homecoming, played Powder-Puff football, and volunteered during Make a Difference Day by raking leaves.

As for school, the academic system in the USA is very different to Brazil's system, but Vi has acclimated well. She is taking a full course load and intends to try-out for the swimming and lacrosse teams. She also is trying out for the school musical.

Vi misses her family and her dog, but has made a lot of new friends here.
