### Peace Through Service

Posted by Mary Schwem on Sep 10, 2012

This week marks the tragedy of 9/11 and the wars that ensued. Friday, September 21, is the international Day of Peace. I thought it might be good to look at how we can apply this year's Rotary International theme, "Peace Through Service". Our RI President, Sakuji Tanaka, said he realized after joining his Yashiko Rotary Club "that by helping others, even in the simplest of ways, I could help to build peace. Peace in all of the ways we can understand it, is a real goal and a realistic goal for Rotary." When he announced the theme in January 2012 for his 2012-13 Rotary year, he proclaimed, "Peace is not something that can only be achieved through treaties, by governments, or through heroic struggles. It is something that we can find and that we can achieve, every day in many simple ways.

On the international level, our club has a very active World Community Service committee. The members have been involved in projects benefitting people in places such as Guatemala, Haiti, Brazil, and Kenya. Member, Andy Aldrich, has done individual work in Haiti. Members Dr. John Millin and his wife, Lori, have performed cataract surgeries in places such as Ghana, Mongolia, and Paraguay and Nigeria.

Our Youth Exchange programs help to create better friendships and goodwill around the world. Each year we send students abroad and host students here in our community. They always report that the experience has changed their lives. They touch the hearts of Rotarians, their host families, schools and communities. They create lifelong friendships and build bridges for peace around the world.

Here in our local community, Rotarians deliver meals to the elderly and shut-ins. We support the activities of the Boys and Girls Club, and Triumph High School. We promote literacy through the Read to Me program in our schools. We recognize outstanding teachers who go the extra mile for their students. We learn of the fine accomplishments of our students of the month, some of whom overcome seemingly insurmountable odds.

There are many ways we, as Rotarians, can support President Tanaka's theme of "Peace Through Service". If you are interested in finding "simple ways" to do so locally or internationally, talk to President Ron, any of the Club Directors or any of the Committee Chairs.

Andre Bohren is a lifelong musician. From early obsessions with Peruvian flutes and '50's Rock 'n' Roll to his discovery of classical piano and syncopated funk, Andre is constantly broadening his musical horizons. At the age of 16, he performed Gershwin's *Rhapsody in Blue* with the Wyoming Symphony Orchestra as the featured piano soloist and was soon touring the U.S. and Europe with his father, American roots musician Spencer Bohren. After a decade of near complete focus on piano, which included 5 years of study under Dr. Janet Ahlquist and 2 years under Dr. John Murphy at Loyola University in New Orleans, Andre founded the eclectic funk-rock band Johnny Sketch and the Dirty Notes (JSDN), this time manning the drum chair. Composition and percussion drove Andre for the next 10 years while JSDN toured the country extensively, bringing his music to such renowned stages as Red Rocks Amphitheater, the New Orleans Jazz & Heritage Festival, and New York City's Knitting Factory. Having recently revisited his love of the classical piano repertoire, Andre looks forward to delving once again into the world of piano and sharing the extensive knowledge he has gained through 25 years of musical experience.

#### Club Service Opportunity

Posted by Mary Schwem on Jul 02, 2012

Looking for an alternate pianist to provide musical accompaniment when our regular pianist, Marilyn, is unable to do so.

Looking for a committee chair for Invocations and for Peach Sales.

#### Attention Committee Members

Posted by Mary Schwem on Jun 18, 2012

If you are a committee chair beginning in July and I have not created your user name, please contact me, Mary.Schwem@erau.edu or call me at 307-640-5699.

We have added a Committee Management Component to the member side of our website. With these changes you will be able to add committee members, communicate with your members, save your minutes and other documents, set up subcommittees. We will be demonstrating how to use the component at the July 11th meeting.
