ROTARY INTERNATIONAL

September 2012

Pakistan scoring great gains despite challenges

"Pakistan this year has perhaps the best chance ever to achieve success, because tremendous new efforts are being undertaken, led by the government, in implementing a national polio emergency action plan that mobilized all government and civil society resources," says Robert S. Scott, chair of Rotary's International PolioPlus Committee, about progress in Pakistan. "There is strong evidence that implementation of the emergency plan is showing results, particularly in key reservoir areas such as Balochistan and Sindh."

Japan vows continued support

Shortly before he took office as president of Rotary International, Sakuji Tanaka received assurances from Prime Minister Yoshihiko Noda that Japan will continue its support for polio eradication, Rotary's top philanthropic goal. Japan is the third-largest public-sector donor to the Global Polio Eradication Initiative, having contributed US\$445.1 million to date.
