Rotarian Spotlight October 2012

Posted by Jr. LaBonde on Oct 15, 2012

This month's Rotarian in the spotlight grew up in Lovell, WY and graduated from Lovell High School home of the Bulldogs. He is a graduate of Brigham Young University where he received degrees in Sociology and Ag Economics. He later attended the University of Wyoming Law School where he received his J.D.

Bruce Asay has been married to his sweet wife Diane, "For what seems like an eternity." They have six adult children (three girls and three boys) with varied careers, an engineer, a veterinarian, a teacher, two lawyers and a dentist.

His first job was weeding a bean patch for 50 cents per hour.

Bruce was sponsored into Rotary by Ed Boenisch and he enjoys the camaraderie with service oriented people. His most memorable Rotary experience was riding in the Midnight Cowboy Bike Ride with his grandchildren.

His proudest accomplishments beyond family include service to country including military service, community, and church.

His favorite meal is "Long Johns" at Rosie's Lariat in Rawlins, WY.

Bruce's hobbies include running, biking, hiking and climbing. This includes climbing the highest points/peaks in the continental U.S. On a recent trip he climbed Mt. Fuji in Japan with two of his children.

The Sargent of Arms will now present Bruce with a Cheyenne Area Chamber of Commerce gift certificate in the amount of \$25.00.

ROTARY INTERNATIONAL

September 2012

Pakistan scoring great gains despite challenges

"Pakistan this year has perhaps the best chance ever to achieve success, because tremendous new efforts are being undertaken, led by the government, in implementing a national polio emergency action plan that mobilized all government and civil society resources," says Robert S. Scott, chair of Rotary's International PolioPlus Committee, about progress in Pakistan. "There is strong evidence that implementation of the emergency plan is showing results, particularly in key reservoir areas such as Balochistan and Sindh."

Japan vows continued support

Shortly before he took office as president of Rotary International, Sakuji Tanaka received assurances from Prime Minister Yoshihiko Noda that Japan will continue its support for polio eradication, Rotary's top philanthropic goal. Japan is the third-largest public-sector donor to the Global Polio Eradication Initiative, having contributed US\$445.1 million to date.
