### Local Rotarians Have Their First Book Published

by *Schwem, Mary*

Club members Steve Bahmer and Ron Rabou have recently written a book about following basic principle in your life. The book is entitled [Keep It Simple: The Twelve Core Values That Lead You to Personal and Professional Life](#). In the book they share their own life experiences used to help the 12 principles evolve and how they have implemented them in their own lives.

Steve Bahmer said, "the book is meant to be a practical guide for getting back to the core principles and values we all know but tend to forget."

The values they perceive as core to our lives are: keep it simple; simplify your life; find a perspective; have patience; matter; commit; focus; take action; create; feed your passion and find your purpose.

Ron Rabou felt it important to write the book because "in our always connected high-tech world, it's easy to get bogged down in complexity and lose sight of the basic values that help us lead full lives. We need to take time to find out where we are going and what we want to do with our lives."

If you would like to find a better path for your life, you might want to read the book yourself. It may be ordered through their website: [rethinkthebasics.com](http://rethinkthebasics.com) or through Amazon.com.

#### Attention Committee Members

by Schwem, Mary

If you are a committee chair beginning in July and I have not created your user name, please contact me, [Mary.Schwem@erau.edu](mailto:Mary.Schwem@erau.edu) or call me at 307-640-5699.

We have added a Committee Management Component to the member side of our website. With these changes you will be able to add committee members, communicate with your members, save your minutes and other documents, set up subcommittees. We will be demonstrating how to use the component at the July 11th meeting.
