mind; wanting to reconstruct the bone so it looks as close the original bone as possible. Orthopedic surgeons are trained in both surgical and non-surgical treatments for muscle, joint and bone problems whether from injury or not.

Dr. Florence is a native of Idaho. He received his Bachelor of Science degree in Biology from Idaho State University and went on to obtain his Doctor of Osteopathic Medicine from A.T. Still University, Kirksville College of Osteopathic Medicine in Kirksville, Missouri. He completed his Orthopaedic residency at the New York Institute of Technology-New York College of Osteopathic Medicine at Peninsula Hospital Center and North Shore LIJ Health System. He completed his sub-specialty fellowship training in Sports Medicine at the Barton Lake Tahoe Orthopaedic Sports Medicine Fellowship in Zephyr Cover, Nevada. Here he focused on the treatment of sports related injuries of the US Ski and Snowboard Teams, collegiate, high school, and recreational athletes with a minor focus on total joint reconstruction in the aging athlete.

Dr. Florence performs surgery on various joints, including the hips, knees, and shoulders, and performs general orthopaedic procedures including arthroscopy, total joint replacements, and fracture care. With his training in sports medicine, he performs many specialized surgeries in both the younger and older athletes including hip arthroscopy, rotator cuff repair, and ACL reconstruction.

## April 27 Meeting Highlights

President Thor called the meeting to order at noon. Madison Casey provided the invocation as well as musical accompaniment. Dave Evans led us in singing "America" and the Pledge. Mike Connelly was ready and willing to introduce guests, but alas, there were none. Missing also was our joke and Happy Money because it was Committee Work Day.

### Announcements

- President Thor acknowledged Randy Skeie's presence and noted that a memorial service for his wife Verjean would be held on Saturday. He extended the club's condolences and an open offer of help.
- Scott Thompson updated the club on Rob Ludlum's health. He is hoping to return to Estes Park from Longmont soon and is making progress.
- Duck Race committee meeting, the last one before the Big Day, tonight at Duck Central.
- Tara Moenning shared the results of last Saturday's shred. The Foundation netted \$1,334 in donations, but the truck filled in an hour due to the shred company having sent the wrong size vehicle. She also encouraged Rotarians to participate in Saturday's Community Clean Up by coming to the Visitor Center in the morning to get an assignment, which can be fulfilled according to the volunteer's timeline. She thanked volunteers.
- Ron Gordon announced that he is NOT moving to Florida and will continue to help the Scholarship Golf Committee.

Thor adjourned the meeting at 12:12 p.m. with the recitation of the 4-Way Test. Club members then met in committee groups.

## Rotary Quote of the Week

*"Donors to the Rotary Foundation see themselves as investors, and with good reason. They invest because they have no doubt that their money will be used wisely. They invest because they see the dividends in the good works that accrue from their donations."*
