Thursday's program: Chase the Music

Founder Clark Hodge

Chase the Music has original music composed and performed for children battling critical illness. The impact of Chase the Music programs begins with the child. The magical gift of a personal commissioned piece of music is like no other. It is unique and created just for that child.

Clark Hodge, Founder and Executive Director of Chase the Music, will speak at the Rotary Club of Estes Park on Thursday, October 27, at their regular noon meeting. In 2011, Hodge conceived the concepts behind Chase the Music. He has delivered a number of pieces of music for critically ill children and he will be sharing some of this music with us.
