### Youth/New Generations to be featured in Oct. 6 program

This week's program will put our Youth and New Generations directorship in the spotlight. Dmitri Galcovski, Youth and New Generations Director, and Sue Fereday, Exchange Program Coordinator, will present an overview of our club's work with local teens who have leadership potential. The youth committee oversees the exchange student program and RYLA (Rotary Youth Leadership Awards), two valuable opportunity for youth to grow in leadership, meet teens from the region, and travel abroad. Dmitri will share some You Tube videos that show/discuss the RYLA program from the participants' point of view.

"We will discuss the challenges both of these programs are facing as well," he said.

## **Shred-a-Thon Oct. 15: Clean your desk, help scholars**

Is it weighing you down? Keeping you from having a clean office, a neat desk or a clutter-free storage room? Tired of feeding papers to your puny shredder, three sheets at a time? The Rotary Club of Estes Park can help you reach those paper-free goals!

Come and contribute your excess paperwork at the Estes Park Rotary Club Shred-a-Thon on Saturday, October 15. You can drop off your items between 9 a.m. and 1 p.m. or until the truck is full. Just drive to the Event Center parking lot off of Manford Avenue in Estes Park.

"Community shred days are part of our commitment to the prevention of identity theft and our support for recycling," said Tara Moenning, event coordinator.

Items appropriate for shredding are:

- Old bank statements,
- Credit card offers,
- Cancelled checks,
- Old medical records,
- Paycheck stubs, or
- Anything with your personal information.

Clips, staples, and binders do not need to be removed.

While there is no charge, a generous donation would be appreciated, Moenning notes. The Rotary Club sponsors the cost of the truck so that all tax-deductible, donated funds will benefit the club's scholarship program.

If you can't be there on October 15, a club member will pick up your items. Call Tara Moenning, [970-577-0186](tel:970-577-0186) for information on pick up.
