Member Birthdays

Shurie Scheel met with the Rotary Board members prior to the Thursday noon meeting. She asked for a report from each committee and wanted to know what our biggest challenges were. She was impressed to learn about the Shred-A-Thon as a fund raiser as well as some of our community activities such as the Pumpkin distribution at Halloween.

Update from President Jim Whiteneck

Larimer County has "Strongly recommended that all residents wear masks" at indoor events.

To Be Safe:

- We should socially distance and take down our masks when eating or talking when we are more than 6' from each other.
- We will open windows to improve the ventilation as much as possible.
- Hopefully all of us are vaccinated but we need to protect as many as possible of those who aren't.
- Dennis Gellhaus has arranged a Zoom presentation from the Director of the USS Midway Museum in San Diego.
- Maggie will be preparing Tacos for lunch. If more spice is needed, bring your own Hot Sauce!
- The Visioning Ad Hoc Committee has been formed. Members of the Committee are: Dennis Gellhaus, Pete Sumej, Jennifer Comstock, Annie Slack, Mark Lee, Beth Weisberg and me.
- They will be developing good questions for all of us to consider as we move forward Visioning with energy.
- Please pass along any thoughts to those on the Committee.

Once again Rotarians stepped up in a big way on Saturday, August 7th. The Estes Recycles Day was a huge success by every measure. Twenty of us:

- directed traffic
- emptied tons of paper to be shredded
- worked at the hospitality tent
- helped collect money at the electronics station
- broke down cardboard to be recycled.

Our total donation for scholarships was \$2324.25.

Those working on the Shred truck crew have learned how to “open trunks”! Who knew how many different ways automakers could come up with to simply open a trunk. The prize goes to the new Volkswagen—even the owner agreed that it was complicated. **Trudy** said “Put it in Park” so many times she must have been saying it in her sleep that night.

The traffic crew kept everyone safely in line and chatted with many to keep tempers calm.

The **Creative Idea of the Day Award** goes to **Karol** who came with biscuits for all the dogs who accompanied their owners to the event.

We all agreed that we had good fun while helping the community recycle, preserving resources. **Thanks to all of you.**

I have included the breakdown from the last three years, and clearly 2020 was an aberration in so many ways. This year was more in line with our usual collections over the years. For a donation of just over \$1000 for the cost of the truck, we were able to double that and provide a valuable community service at the same time.

| Shred 2019 | Shred 2020 | Shred 2021 |
|-------------------|--------------------|-------------------|
| Checks \$1500 | Checks \$1680 | Checks \$295 |
| Cash \$ 1936.34 | Cash \$ 3516.25 | Cash \$ 2029.25 |
| Total = \$3436.34 | Total = \$ 5196.25 | Total = \$2324.25 |

Rotary Golf Tournament for Scholarships set for Sept. 25

The Rotary Golf Tournament for Scholarships has been a highlight for the Estes Park golf community for 23 years. This year it will be even more special, as it follows a year off due to the pandemic. Members of the committee planning the event ask all golfers to mark their calendars for Saturday, Sept. 25, the date for the 2021 tournament. It will be held at the 18-hole Estes Park Golf Course and will begin with a shotgun start at 9:30 a.m.

The 24th annual event will raise funds for the Rotary Club of Estes Park Foundation Scholarship Fund. Annually, the club raises \$24,000 for three, four-year academic scholarships for graduating Estes Park high school students.

And, on behalf of the Fund Development Committee we urge all members to join us in becoming a sponsor for the Golf Tournament. This event, Saturday, September 25th, will be a major fundraiser for our Rotary Academic Scholarships for 2022. Thank you, **Phil and Tara Moenning**
