Learn the impact of Boys and Girls Clubs of Larimer County

Boys & Girls Clubs of Larimer County, founded in 1986, provide a safe environment where young people can reach their full potential. It provides after-school programs during the school year and all-day activities during the summer months.

Kaycee Headrick, Executive Director of the Boys & Girls Clubs of Larimer County, will speak at the Rotary Club of Estes Park on Thursday, Feb. 1, at their regular noon meeting. She will discuss how the Clubs impact youth in Larimer County and the Estes Valley.

Kaycee Headrick

At the Clubs, youth learn to work and play together, are given structure and responsibility, and learn about the benefits of education. Students become more self confident and develop character, and hence, more motivated to avoid alcohol, tobacco, drugs, and early sexual experimentation. In such an environment, youth can discover how to see beyond the walls of their current situation and realize they can succeed. They become better people and better members of the community and future citizens.

January 25, 2018 Meeting Notes

As this was Committee Meeting Thursday, there was no program and not much happened to report. Your scribe got off easy.

President Kathy Groesbeck called the meeting to order. Virgil Holtgrewe gave the invocation. Dave Evans led us in singing "This Land is Your Land" followed by the Pledge of Allegiance. Gene Oja also got off easy leading guest introductions because there were no guests today. Scott Thompson told his joke, which was pretty well received for a change.

Announcements

Dana Fritz announced that a former member of our club, Anne Marco, had broken a hip and was in hospital in Fort Collins. Anne and Howard are not receiving calls as she is still sedated.

There was no Happy Money.

Program

We then broke into our committees. Although not much happened at the meeting today in the usual sense, no doubt the activities of these committees will produce big things in the months ahead.
