Many club members have signed up for the above committees and more help is needed on each. Learn about the work of the club, which occurs at the grass roots committee level. President Thor encourages all members to become an active part on these committees to more fully understand the club's service mission and to connect with new and old friends.

"Active membership is the lifeblood of any club. Our focus this year will be on our membership and on building our committees. Please consider how you can contribute," Homme said.

Start of Rotary year brings new leadership, praise for outgoing leaders

Members of the Estes Park Rotary Club recently gathered to thank outgoing officers and board members, present awards and install new leadership.

The club thanked 2015-16 President Scott Thompson and turned the gavel over to 2016-17 President Thor Homme. Award winners included Trudy Collar, who earned the Spirit Award, and Rita DuChateau, who received and the Distinguished Service Award. The Rotarian of the Year award will be presented at a later date.

Homme said the Rotary Club of Estes Park has routinely placed him in positions outside of his comfort zone and has helped him grow as a leader. He encouraged all club members to actively serve on committees, help new members feel valued, and step up to leadership positions.

The annual President's Night event took place at the National Park Village June 25 and included a performance by member Bruce Carmichael on guitar and vocals.

The Rotary Club of Estes Park is a service organization that provides support for local and international projects. Its events include "It's Showtime!" and the annual Golf Tournament, which raise funds for scholarships awarded each spring to graduating seniors. The largest effort of the club is the annual Duck Race, which generated over \$117,000 for 64 area charities in 2016. The club welcomes new members. 20th Annual Rotary Scholarship Benefit Golf Tournament a win for golfers, students

A great turnout, a gorgeous day and some fabulous prizes created a successful Rotary Scholarship Benefit Golf Tournament on June 25, according to the event chairman.

"The 2016 event drew 57 golfers, and many said that it was a fun tournament," said Bruce Carmichael, chairman. "We are still collecting sponsor pledges and paying our bills, so I can't give official fundraising results, but I believe we have well exceeded our goal of \$10,000," he added.

A complete list of sponsors and prize donors will be available within a week, he added.

The event winners were:

“This tournament has been a summer highlight for Estes area golfers for many years. The support we received from golfers, sponsors and the many merchants who donated prizes all combine to create a memorable afternoon. Most importantly, the funds we raise for scholarships make college a little more affordable for our local students,” Carmichael said.
